AN OPEN LETTER TO THE CITIZENS OF SCHREIBER AND TERRACE BAY

Since the senior member of Council has announced that he will allow his name to stand for Reeve, it is with a very happy feeling and contentment that I will be stepping out of municipal politics and would be happy to support him.

To the Citizens of Schreiber, I thank you very much for the privilege and honour of serving you these past many years. Those who serve on Council do not expect praise or glory. The honour comes from the hard work and dedication you put into your own efforts.

My greatest consolation comes from my own belief that I did serve you all with honesty, a lot of energy and dedication.

I include the citizens of Terrace Bay in my thanks, because of my many meetings with your Council and to those of you over the years that have personally given encouragement to me and have thanked me for my efforts.

To the incoming Reeve and Council of both towns I hope the co-operation continues and best wishes for a good term.

Sincerely,

Harold McParland (signed)
Reeve of Schreiber.

Poor fitting Halloween masks or ones with small eye slits can become a potential hazard when they block a child's view of dangers that might appear in a young ghost or goblin's path. The Ontario Association of Optometrists urges parents to create safer costumes this year by using disguises made from make up instead of masks.
