

HI THERE!

My name is Bob Gendreau and I'm one of the new kids in town. My wife and I are part owners and I am manager of Wiseway Home and Building Centre on the Mill Road.

We will be specializing in everything you need to build a house or completely remodel it. Especially carpet. Carpet is our bag. We hope you will come and visit us when we open on October 26th at 11 A.M. We also believe in mixing a little fun with our business and we would like to introduce you to our Home Humour Column. It's designed to give you a smile on occasion.

Bob Hope we ain't, but we do hope you'll enjoy it.

HOME HUMOUR

BY BOB GENDREAU

A stitch in time means you have knitted clock.

The baseball game continued in the cow pasture and ended when the runner slid into what he thought was second base.

If you were born lucky, even your rooster will lay eggs.

Choosing the right paint, wallpaper and carpet isn't luck, its experience, and we have it
