

CNIB UNIT IN TERRACE BAY

For the 5th consecutive year, the CNIB Mobile Eye Care Unit was in Terrace Bay. While here, 125 people were seen from Terrace Bay, Schreiber and Rossport.

Dr. D. Whiteman, Judith Rennie and Gail Smith examined these people for distance or near vision problems, colour vision and depth perception. Adults were also tested for glaucoma.

One minor surgical procedure was performed on the van, which travels from community to community for almost eight months of the year.

While in Terrace Bay, the van was sponsored by the Kinsmen Clubs of Terrace Bay and Schreiber.

HOSPITAL NOTES

Since the last report of the Building Fund Chairman in the middle of July, the fund has grown as follows:

Membership \$5.00; Lottery Committee \$121.36; Payroll Deductions \$758.50; In Memoriam \$1,309.45; Personal Donations \$2,630.18; Spruce River Lumber Co. \$1,000.00; Sun Life Assurance Co. \$500. G.M. & H.O. Holmes Ltd. \$500.00; Kimberly-Clark (matching donations, 40 cents on \$1.00) \$9,321.61; Interest on Bank Term Deposits \$4,839.32.

Our Bank Balance as at October 13, 1978 was \$400,773.60.

The Building Fund Committee are deeply grateful for the generosity of our citizens and hope for your continuing support.

Motorists, if you must drive on Halloween night, the Ontario Association of Optometrists reminds you to keep a sharp eye out for trick-or-treaters walking in the dark.

Soon children across the country will undergo a mysterious and magical change from child to ghost, goblin or any number of other beings from the imagination in observance of a special holiday just for Kids -- Halloween night.

Young trick-or-treaters sharing the streets with motorists and ghosts walking through unlit streets and yards, wearing masks that may obscure their vision makes for a potentially dangerous night.

Their safety depends, in part, on vision and visibility. Optometrists as members of the vision care profession urge you to help make halloween safe.

LSHS HOSTS JR. VOLLEYBALL INVITATIONAL

Total participations with a touch of confusion; what better words to describe the scene when twelve volleyball teams, their coaches and managers; linesmen, score keepers, umpires; referees; cheerleaders; and screaming fans all congregated at the LSHS and St. Martin gyms on Saturday, October 14th to participate in the second annual junior volleyball invitational?

The success of the day was marred only by the losing of the two trophies that were made up especially for the tournament. Finishing fourth in the round robin play our junior girls were defeated in the finals. The junior boys however made the semi finals before they were defeated.

The results of the tournament were as follows: Junior Girls 1st, Manitowadge; 2nd Nip-Rock; Junior Boys 1st, Nip-Rock; 2nd Wawa.

The LSHS junior teams should be congratulated for their fine effort on Saturday. Not only did they have many volleyball games to play, but they also helped in the running of the tournament. Thanks also to the students, teachers and community members who helped with the tournament.
