COUNTDOWN TO CURLING

The men's semi-annual meeting was held on Friday, October 20th. A discussion centred around the topics of rules and proposed operation of the club for the 1978-1979 season.

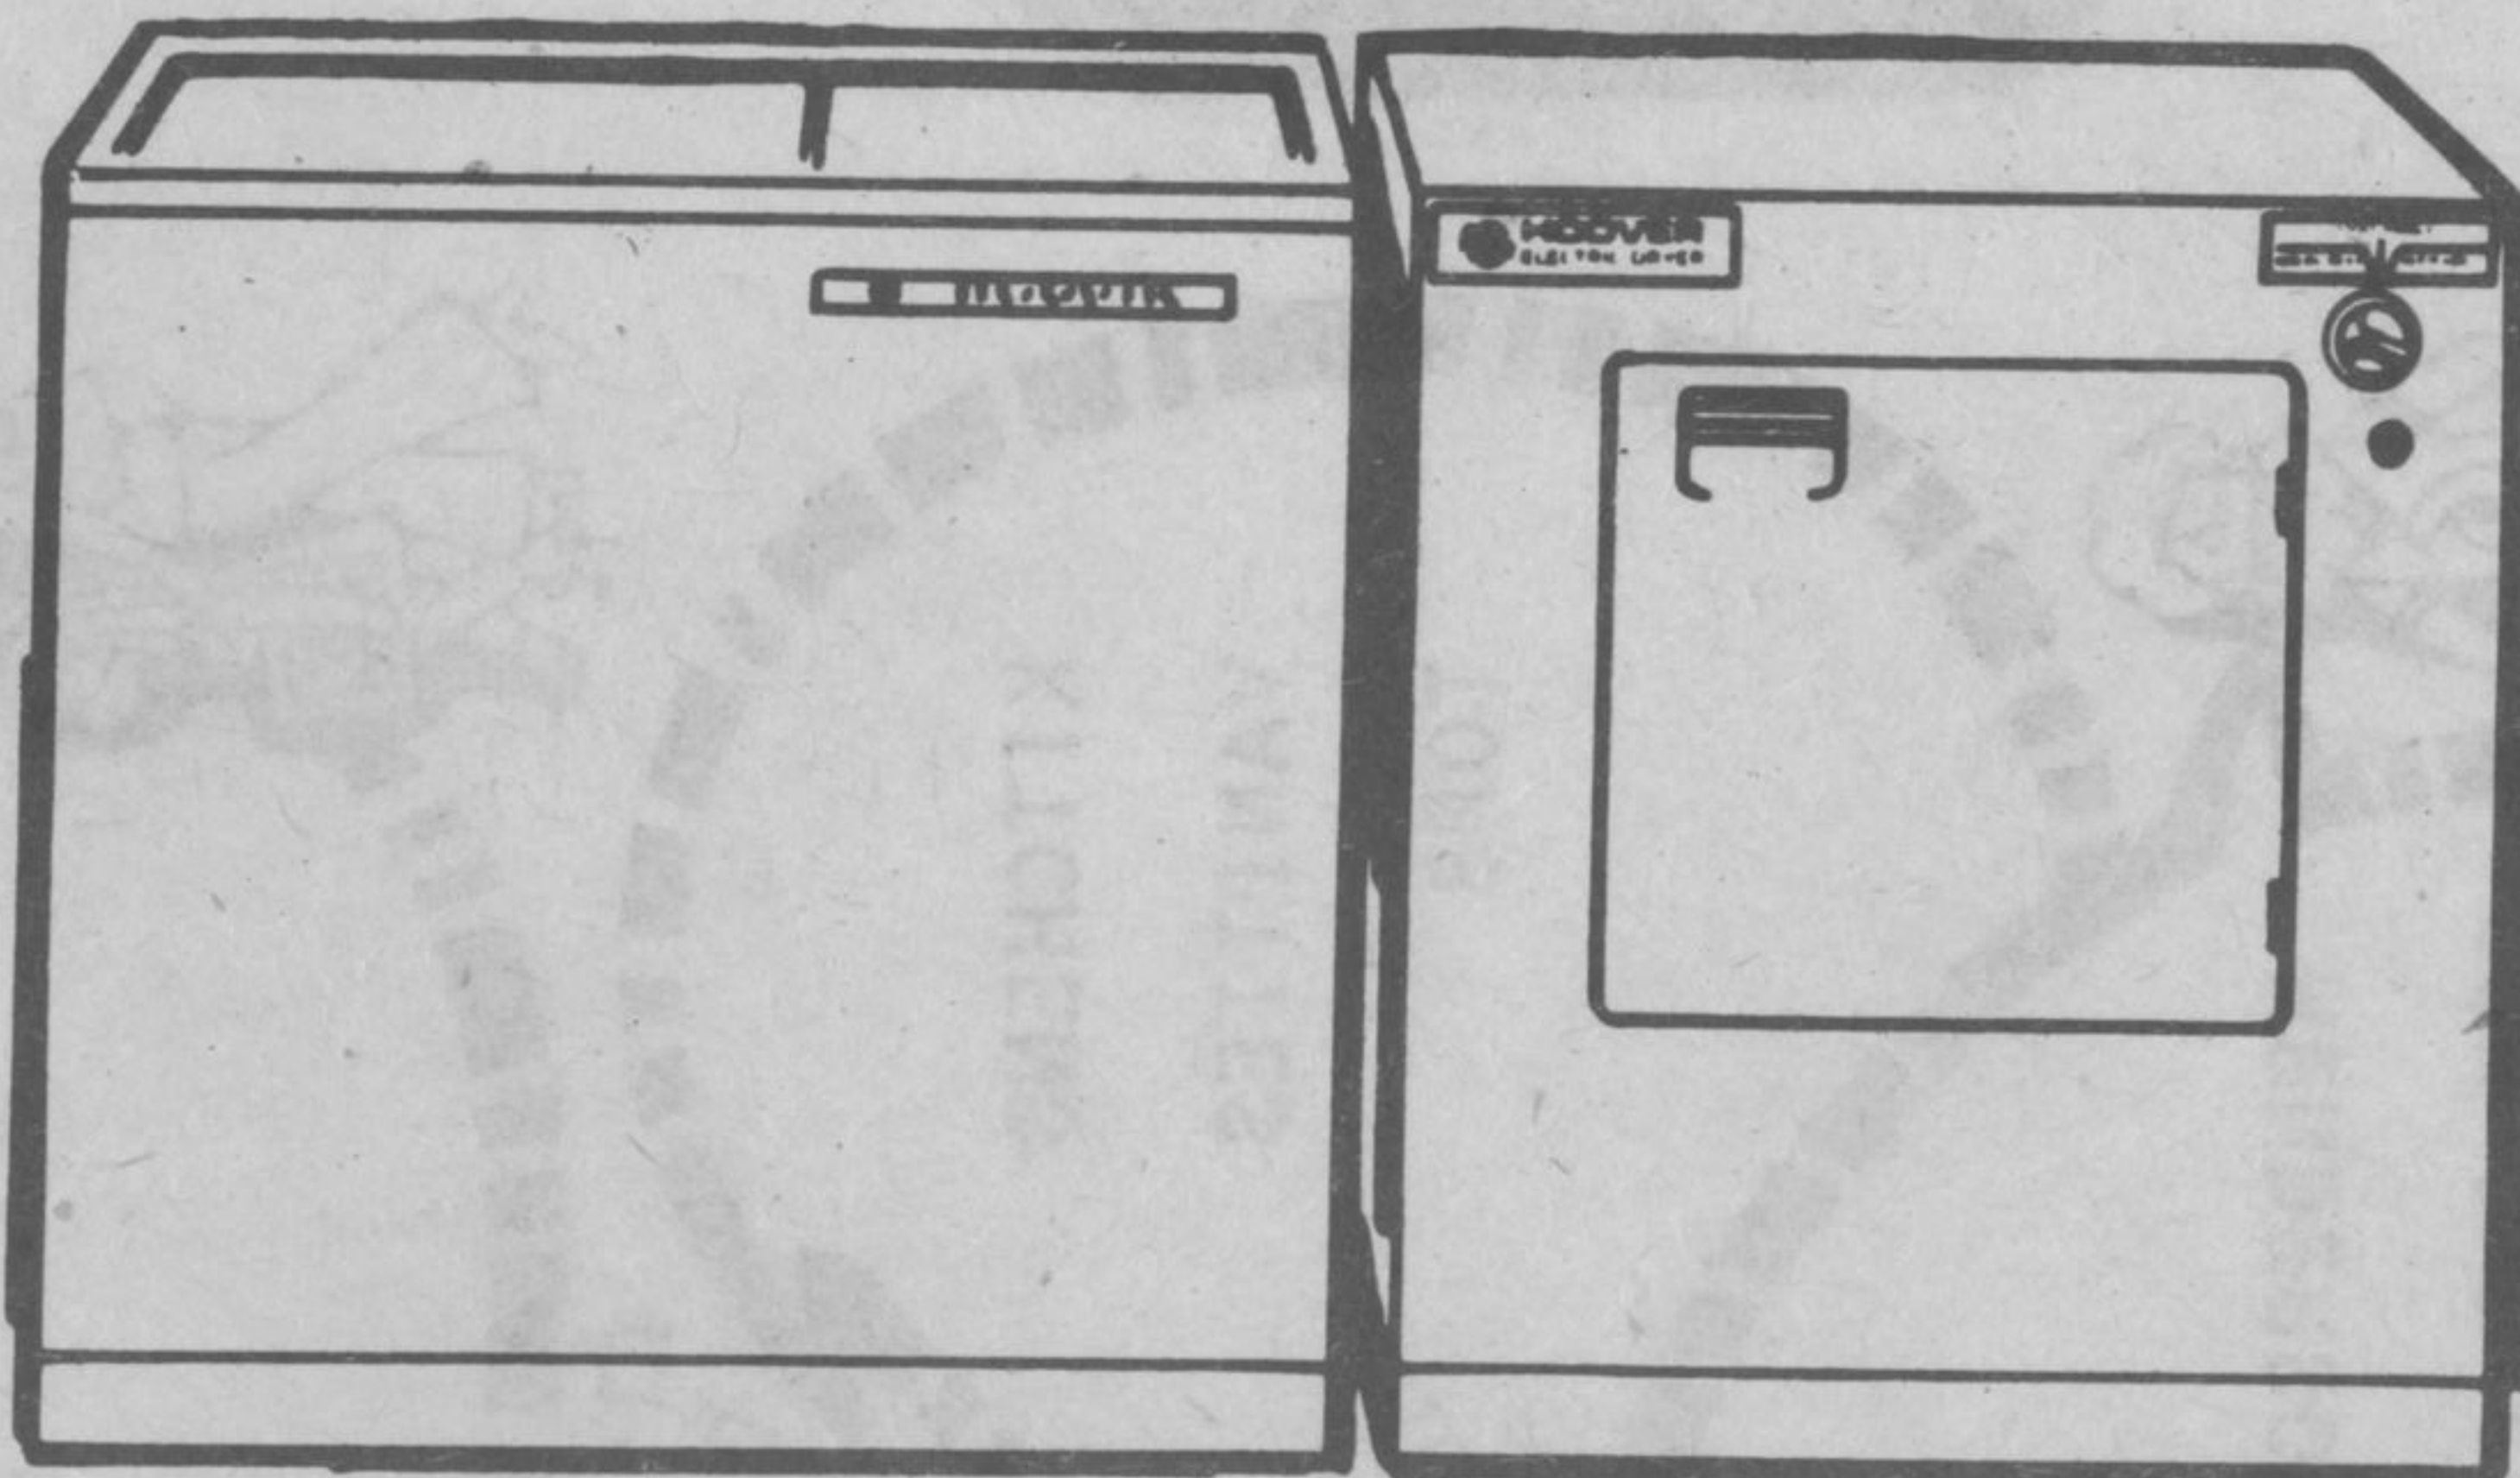

Several important decisions were made: the men will curl regularly two nights a week (Monday and Wednesday); mixed curling will be scheduled for Friday night; men's curling will consist of divisional play on Monday nights and round robin play on Wednesday nights.

If you still have not entered your name or team please contact Bob Roberts (3860) as soon as possible. Play will likely get underway in early November.
