MOORE:

In loving memory of a dear daughter and
 sister Karen Arlene Moore who passed away
 suddenly November 11th, 1977.

When we're sad and lonely
 And everything goes wrong,
 We seem to hear you whisper,
 "Cheer up and carry on"
 Each time we see your picture
 You seem to smile and say,
 "Don't cry, I'm only resting,
 We'll meet again some day."
 How little we thought that morning
 What sorrow the day would bring
 When your heart of gold stopped beating
 Though you didn't know a thing.
 It broke our hearts to lose you,
 But you did not go alone
 For parts of us went with you
 The day God called you home

Loved and sadly missed by Mom and Dad
 Doug and Cindy

FAMILY LIFE EDUCATION IN THE SCHOOLS

Dr. and Mrs. J. Willke - Date Friday, November 10th; Time -
 1 p.m.; Place - St. Martin School, Terrace Bay.

Dr. and Mrs. J. Willke are uniquely qualified to speak on
 Family Life Education in the schools, both because of profes-
 sional credentials and also because of the deep love and joy
 they share in an exceptionally good marriage. Both are gradu-
 ates of the University of Cincinnati; she, from the College of
 Nursing and Health, and he, from the College of Medicine. Mrs.
 Willke taught professionally for five years before a fulltime
 career of wife and mother. Dr. Willke, a practicing physician
 for over 20 years, has devoted much of his time to teaching and
 family counselling. They are parents of six children ranging
 in age from 6 to 20 and have had several older foster children.

Acting as consultants to school districts throughout the
 United States and Canada, the Willke's travel widely. On an
 average year, they will speak in 40 cities, face over 50,000
 people, and appear on over 100 television and radio programs.
 Articles have appeared in more than 20 publications throughout
 both countries.

Their books and records are products of their extensive ex-
 perience, independent research and study, and reflect an accu-
 rate knowledge of a cross-section of the country. They usually
 speak to major groups of parents and teachers, but also to stu-
 dents and other professional medical groups.

Members and consultants to local, state, and national organ-
 izations, they have been nominated for the White House Con-
 ference on Children.

Dr. Willke has four years as a school board member. They
 are also board members of the Cincinnati Health Association and
 are past chair couple of the Cincinnati Family Life Bureau.
