

PROFESSIONAL ACTIVITY DAY

The staffs of Holy Angels and St. Martin Schools shared in an inservice session at Holy Angels School, Schreiber on Monday, October 23rd.

The morning programme on Learning Styles was directed by Brian Peters. Various teaching styles were discussed and related to modes of learning in children. Correlation of behavioral patterns to learning styles closed out the morning activities.

Barbara Lalonde, Nutritionist with the Thunder Bay District Health Unit led the teachers in a curriculum development session in the afternoon. Teachers were divided according to Division and produced programmes according to teaching levels.

A special acknowledgement goes out to the parents who accepted the invitation and turned out to share in the Professional Activity Day.

PARENT-TEACHER EDUCATION NIGHT

A Parent-Teacher Education Night was held at St. Martin School on Wednesday, October 25 from 7 to 9 p.m.

The evening was divided into two parts, the first providing parents the opportunity to visit their children's classrooms, look at work displayed, and discuss in general terms their child's programmes for the first term. In addition, it presented both parents and teachers the opportunity to share observations on the children's first two months in school.

The second part of the evening was a social hour, where teachers and parents could dialogue over coffee and cake.

The success of the evening was assured through the extremely high turnout of parents. It was most rewarding to see that so many fathers joined in the Education evening.

To all involved, a special commendation for your continued interest and support of the education of the youth in our community.

Well over 1,000 service officers in service bureau and branches serve ex-service personnel and their dependents. Each year over \$1 million flows to veterans and their dependents through the efforts of these service officers.

VOTE

DARLENE ZROBACK FOR COUNCILLOR

- married
- mother of four school-age children
- homeowner
- ambitious
- dedicated to serving the community in which we live
- interested in municipal political affairs
