MEN'S AND LADIES VOLLEYBALL TOURNAMENT:

A Volleyball tournament is being held in Geraldton in early December. This tournament is open to men's teams and ladies' teams with the participants being 16 years of age and over. Anyone wanting to start a men's and/or ladies team or coach them should contact the Recreation Office for further details. There are prize monies for the winning teams.

CLARIFICATION:

To clear up the controversy regarding the ice time for practises offered by our Department to the Schreiber NORTH STARS; they were offered 11:00 to 12:00 at night and 7:00 to 8:00 in the morning, which they felt were not suitable times. This was one of the major reasons the NORTH STARS are not operating. We hope this will clarify the situation.

CANADA WORKS GRANT:

The Terrace Bay Recreation Department has been very fortunate in receiving a Canada Works grant of approximately \$19,000.00 to do many clean-up and maintenance jobs throughout the Recreation Centre. We have hired four persons for approximately 7 months. We hope this will improve the appearance of many areas of the complex.
