WISEWAY OPENS

Wiseway Home and Building Centre opened its doors to the public on October 26 at 11 a.m.

The grand opening began with a "ribbon cutting" ceremony performed by Reeve Cyril Brassard. The "ribbon" was actually a strip of lumber which the Reeve cut with a hand saw. Congratulations were extended by both the Reeve and Keith Penner, Thunder Bay MPP.

Free coffee and donuts were on hand as well as balloons and hot chocolate for the children, who also had the opportunity to meet Mickey Mouse, Donald Duck and Snoopy.

The first fifty ladies at the opening were presented with roses.

Best wishes to Wiseway for much success in this new venture.

HOSPITAL AUXILIARY TOY SALE A SUCCESS

An attractive variety of toys was displayed to shoppers in Costa's on Saturday afternoon.

The Auxiliary thanks all who supported the hospital by purchasing toys and really appreciates the generous donations of toys handmade by local residents. Many toys were sold but if you missed the sale, some are still available from the gift cart.

The lucky winners were Charlene Yates (Barbie Doll Set) and L. Desaulniers (Teddy Bear).

Mr. Donald Ross has kindly consented to speak at our next meeting on Monday, November 20th in St. Martins School. The subject of the address will be "The Auxiliary's Role in Hospital Life". We extend an invitation to all members to attend this meeting.

If you recently bought an auxiliary membership card, you are a member and welcome at all our meetings. Meetings are held on the third Monday of each month and alternate between Schreiber and Terrace Bay.
