PROFESSIONAL ACTIVITY DAYS AT LAKE SUPERIOR PUBLIC SCHOOL

Friday, November 3rd and Monday November 6th were busy days for the staff of the Lake Superior Public School as professional activities were conducted on both of these dates.

November 3rd was devoted to parent-teacher interviews on both campuses. The turnout of parents was exceptionally strong again this year. Staff members appreciated the opportunity to meet parents and discuss student progress with them.

On Monday, November 6th the entire staff met on the Terrace Bay Campus with Miss Margaret Twomey, Director of the Lake Superior Board of Education. With Miss Twomey's guidance, the staff conducted a comparison of Ministry of Education program guidelines with programs presently in operation in the school. The latter part of the day focused on the development of strategies for implementing Ministry of Education guidelines in the school.
