

### ST. MARTIN SCHOOL

**EUCHARISTIC CELEBRATION** - To honour the saints on their feast day, the Gr. 6/7 students of St. Martin School invited Father Murtagh to join them in their classroom for a eucharistic celebration on November 1st. The students have been examining how the saints responded to God's love by the way they lived their lives. Each student prepared an offering of response to God's love in their life. The readings were presented by Joanne Blake and Diana O'Keefe. All the celebrants enjoyed the Mass and expressed a desire to participate more often in celebrations prepared by the students.

**STUDENTS REPAIR SLIDE** - Primary students at St. Martin School were upset when they arrived at school one morning and were unable to use their playground slide which had been pushed off its foundation. Concerned older students thought of a way to solve the problem. The combined efforts of the gr. 7 boys - Chris McBride, Chris Drexler, Roger Theriault and Gordie Nicol were much appreciated by both staff and students.
