

HOME HUMOUR

BY BOB GENDREAU

It wouldn't do any good to see ourselves as others see us. We wouldn't believe it anyway.

The upper crust is just a bunch of crumbs put together by their own dough.

I can't take surprises, when I was born I was so surprised I couldn't take for a year and a half.

I know a guy who claims to have an open mind ... It should be closed for repairs

I've always had trouble with my glasses. I can never find a place to put down the empties.

There's no trouble finding a carpet at Wiseway. We've got the largest selection around.
