

OVERTURE CONCERT CONT'D

Bing Crosby, Jack Benney and Alfred Hitchcock. However, marionettes have come to be his first love and perfect vehicle for his many talents as singer, actor, musician, sculptor, engineer, playwright, choreographer, designer, and director.

Daniel Llords has single-handedly created nearly 800 lavish marionettes (dressed in silks, brocades, laces, embroideries and ermine) necessary to make his conceptions visually manifest to the audience. Everything seen on stage - including the stage itself - is designed and made by Daniel Llords; this unique stage allows Mr. Llords to appear in view of the audience throughout the concert - it is inlaid with smoke curtains, fountains, electrical skvrockets and revolving floors.

Llords "International" is a mature and sophisticated extravaganza of puppets-for-people-who-don't-like-puppets. Daniel Llords combines the best in theatre and concert into a new art form labelled CONCERTHEATRE for adults.

Because great concentration is required on the artist's behalf, it is strongly recommended that members be in their seats prior to the opening of the concert. The auditorium doors will close promptly at 8:00 p.m. and any latecomers will not be admitted until after the opening segment of the program has been completed. It would be greatly appreciated if parents would accompany and sit with their children throughout the entire performance. Unaccompanied young people are asked to show mature and attentive behaviour in respect for our performing artist.

Overture concerts are for members only! Doors will open at 7:30 p.m., with the concert to begin promptly at 8 p.m. A bus will leave from in front of the Chimo Club in Schreiber at 7:15 sharp and will stop in at Birchwood Terrace to pick up any senior citizens wishing to attend.
