

Water Association Meeting - continued from page 30

the quantity of water to be supplied and whether fire protection must be included.

The secretary gave a resume of the proceedings in negotiating with the CPR to obtain ownership of the water system.

After much corresponding and meetings, the Rosspport Water Association has now obtained the registered deeds to this strip of land. It was noted that the Association is also incorporated without shares and the corporate articles are also registered.

Four about two years the Association has been endeavouring to obtain a grant to finance a new pipe line and dam. It was reported that the Association has been sponsoring activities in the village to raise funds. For the benefit of new water subscribers it was announced that all water fees are to be paid on a yearly basis whether the water is used a month or twelve. Also that all subscribers to the new water system will have to sign an agreement before hooking up to the system, and unless all accounts are paid up in full a subscriber will not be eligible to hook up to the system.

The secretary announced that a set of by-laws drawn up will soon be available. It was decided to put all overdue accounts in the hands of the collectors.

On motion of Cyril Brassard and Roger Alty a resolution that the Rosspport Water Association apply to the Ministry of Envir- continued page 35
