CATHOLIC WOMEN'S LEAGUE OF CANADA ST. MARTIN OF TOURS "SAVE A FAMILY PLAN"

The St. Martin of Tours C.W.L. held its annual Christmas party on December 9, 1978 in the Parish Hall. It was preceded by a very moving "Service of Light" officiated by Father M. Murtagh.

A delicious buffet dinner was served and everyone entered into the spirit of Christmas when Santa appeared and the St. Martins adult choir sung a selection of Christmas songs. The highlight of the evening was the auctioning of all the Christmas baking and crafts which were donated by all the members. The generosity of everyone was overwhelming and the money collected is being sent to the "Save A Family Plan".

"This 'Plan' has brought relief to thousands of poor families in their economic hardships and miseries ... This praise worthy system really deserves encouragement and support" (His Eminence Joseph Cardinal Parecattil, President, Catholic Bishops' Conference of India.)
