

C.W.L. "SAVE A FAMILY PLAN" CONT'D....

To assist families abroad, St. Peter's Seminary, London, Canada, and the National office of the C.W.L. encourages us to support this plan. Last Christmas our parish gave a donation to this fund instead of exchanging gifts among ourselves. We received a letter from a young Indian girl whose family had been given a sewing machine as a result of our donation. Thousands of people in underdeveloped countries like India are victims of tuberculosis or malaria and cannot work to help support their families. Many children are undernourished and die of disease and malnutrition. We send our donation to what is called the "Poor Fund", the money is used as follows: \$400 builds a house for a poor family; \$100 - \$150 buys a milking cow which provides a source of daily income; \$80 - \$100, goat; \$60 - \$80 pigs; \$60 - \$80 Chickens; \$100 Sewing Machine; \$100 looms for weaving.

There are two other methods of supporting this plan. They are: (A) Adopt a specific family and send them aid through Save a Family; (B) Send monthly donations direct to the Family in India.

If anyone would like further information concerning this wonderful way of sharing our own prosperity please get in contact with Mrs. Lillian Belliveau.

THE STORY OF THE CHRISTMAS STOCKING

Legend has it that a casual blunder by St. Nicholas started the custom of hanging Christmas stockings. While making his yearly rooftop visits in Holland, this kindly gent dropped his purse down a chimney. Much to the good fortune of those below, the purse fell into a stocking left on the hearth to dry. As word spread of the family's good luck, the tradition of hanging Christmas stockings became popular and widespread.
