

SCHREIBER PARKS & RECREATION COMMITTEE

RECREATION COMPLEX UPDATE:

On January 8, 1979 several ladies were back on the streets to do more canvassing for funds from the public sector.

A bottle drive was held on Saturday, January 6th and was very successful. Final totals are not in at this writing and will be reported next week.

A group of young adults are holding a folk and contemporary blues concert at the Public School Gym on Sunday, January 14, from 7 p.m. to 11 p.m. All funds after expenses will go to the complex.

Friday, January 26 a dance will be held at the Schreiber High School gymnasium with all funds for the complex. Please see the advertisement for further data.

There are many more events in the thought and development stages, more as details are available.

Again we need your assistance with programs or for you and your group to run an event, just allow us to know to avoid duplication and confusion.

December 15, Jack Stokes, M.P.P. made a very valuable and unexpected presentation to Reeve Harold Fischer. It was a cheque for \$314,847.76 from Wintario as our first installment on the new complex.

The complex at the Terrace Bay mill site is signed, sealed as of December 28, 1978. Reeve Fischer and Clerk-Treasurer Aurel Gauthier presented the final payment to Kimberly Clark on that day.

Plans of the new arena and complex can be seen in the window of the Schreiber Hotel and the main office of the Town Hall.

Again we ask that those that have made pledges (not payroll) please keep the funds coming.

Since the announcement that approval had been received a lot of money has come in at the town office, Personal \$52,312.63; Payroll \$11,793.00; Bingos \$2,677.30. Total cash \$66,782.93, Payroll to come \$7,200; Pledges to come \$41,505.
