

IN MEMORIUM:

McClelland:

In loving memory of our dear parents and grandparents, Ella McClelland who passed away January 10, 1970, and Lee McClelland who passed away January 20, 1978.

Softly leaves of memory fall
Gently we gather and treasure
them all,
Unseen, unheard, you are
always near
Still loved, still missed,
and ever dear

Always remembered and sadly missed
Donna, Jim, Shavna and Jamie.

CLIFF RILEY DISPLAYS HIS HANDIWORK

Cliff Riley, a resident of Birchwood Terrace, has become engrossed in a new hobby which is rather unusual. Cliff enjoys constructing doll furniture and wishing well ornaments, using only clothespins and white glue. The furniture is lawn table and chairs, ideal for Barbie dolls. He has also constructed a large wooden box in the same manner, which he uses as his "pill box".

Cliff first got the idea from Flora Bryson of Schreiber and he says that this craft is becoming more common as more people become aware of it.

Cliff also enjoys rock polishing and making jewelery from the polished rocks.

Several of the Senior Citizens produce lovely items from their handiwork and it is worthwhile to browse at the various items displayed in the lobby of Birchwood Terrace.
