SOFT-TOUCH CORD REWIND
Controlled rewind for smooth retraction (Models U4201 U3101) Other models with convenient cord wrap on the handle

CLEANS UNDER FURNITURE... THREE-POSITION HANDLE
Dual handle release pedals for right or left foot convenience. Cleaner lays really flat in low position - gets under furniture!

QUADRAFLEX™ AGITATOR
11 1/2 INCH BRUSHED WIDTH!
Four brushes placed in twin full-length spiral spans provide double the brushing and grooming action of previous models. Precision angled bristles reinforced by beater bars begin to flex on carpet contact. Bristle tension builds as the agitator turns suddenly bristles spring free! Kinetic action pitches dirt and litter into the turbulent suction stream - grooms carpet nap beautifully

600 SQ. IN. FILTER AREA

16 QT. DISPOSABLE BAG
Greater capacity means more open filter area over a longer period of operation. Keeps cleaning stronger, longer with every bag.

QUICK & CLEAN BAG CHANGER
Quick & clean bag changer - pop off the full one and push-on a fresh refill. Zip up the jacket... you're cleaning again!

EDGE-CLEANING... PLUS!
EDGE-BRUSHING
Sweeping action within 3/16" of the baseboard! Closer than any other domestic upright.
EDGE SUCTION
On both sides of the cleaner powerful suction catches dust and litter at the carpet edge.

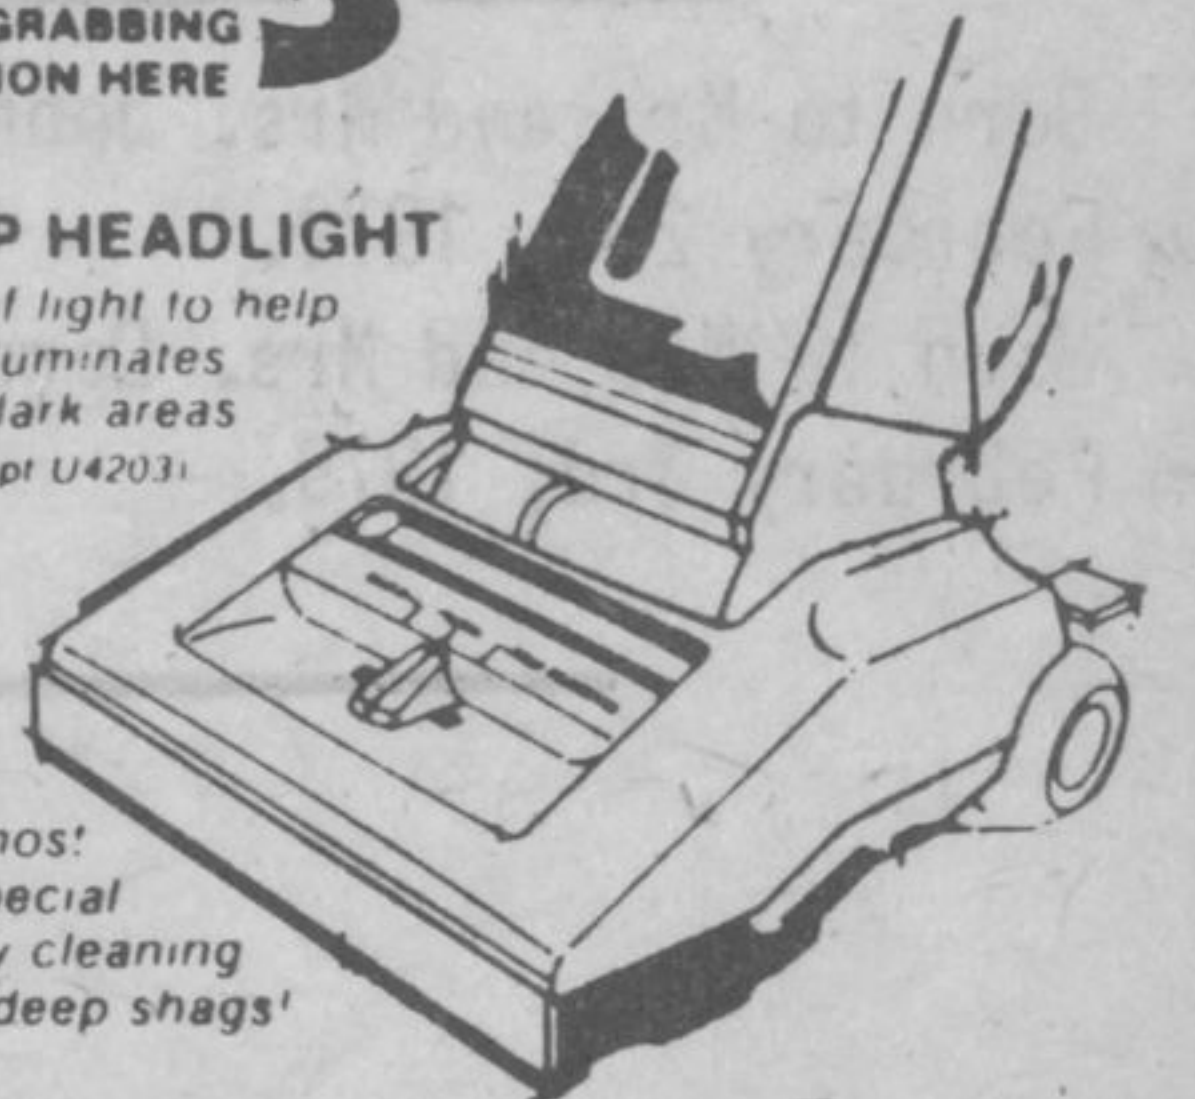

TWIN LAMP HEADLIGHT
Broad, bright beam of light to help seek out litter. Illuminates cleaning path in dark areas. (Except U4203)

COMFORT - CONTOUR GRIP

FINGER TIP TWO-SPEED SWITCH
Select HIGH speed extra power or the quiet efficiency of LOW speed cleaning... on the floor or for attachments. The choice is at your fingertip.

AUTOMATIC CARPET ADJUSTMENT... PLUS!
Floating nozzle adapts automatically to most carpet types - has special settings for really easy cleaning on plush pile and deep shags!
