GIRL GUIDES AND BROWNIES CELEBRATE 25TH ANNIVERSARY

On the evening of January 16th, the Lake Superior Public School Gym was the scene of a lovely candlelight ceremony, as the girl guides and brownies celebrated their 25th Anniversary, having become established in Terrace Bay in 1954. Rangers and cadets were also in attendance.

Nine tenderfeet were enrolled as girl guides: Kathy Hansen, Monique Parise, Jody Bertin, Brigetta Samp, Kathy Sheppard, Tina Speer, Pam Menchenton, Pam Ducher and Joanne Blake.

Twelve candles were lit. The first one represented the beginning of girl guides in England, 1909 and the second was for the beginning of guides in Canada in 1910. The third candle represented the establishment of guides and brownies in Terrace Bay in 1954 and the remaining nine candles were lit as each enrolled guide made her promise.

A sing-song followed, led by Pam Jones, music chairman. Perhaps the most significant song was "Happy Birthday to You".

A mother and daughter banquet will be held on February 18th at the Moose Hall.
