

ASK ABOUT OUR CLASS HOUSES

There's a certain kind of homeowner who won't be satisfied with anything less than class. That's why we've made the Hagglund Pre-Fab so versatile. Our home plans can be added to, subtracted from or completely modified, according to your own individual tastes. So your Hagglund home will be given its own unique touch of class. And, if your wondering about glass, all Hagglund Homes come with first quality Loewen Windows. So that the glass will add to the class.
