YEAR 4'S HAVE A SPECIAL GUEST

MR. BENO'S VISIT TO THE BAHAMA ISLANDS:

On the 18 of January Mr. Beno went to the Bahama Island. He took a plane from Thunder Bay to Toronto. He took another plane to Miami, Florida. He took a small plane to the Bahama Island. He had to be checked just in case he had weapons. Then he went to Hopetown by ferry.

He and his friend Mr. Wise rented a sailboat for 8 days and they sailed around the bays. He saw people in other countrys, what they are like, and learned about what they eat.

When he went to a hotel he asked for the keys but they said that they don't have keys because nobody steals.

Our Class at Holy Angels School, Schreiber enjoyed his visit as we have just finished a study of Oceanography in Environmental Studies and a unit on Jesus And The Fishermen.
