FAMILY SEMINARS

Never in the history of North America has the institution of marriage and the family been under such attack. Readers Digest recently stated that "this year more than a million couples in the United States and some 55,000 in Canada will officially register their discontent by signing a divorce decree".

Psychologists, Social Workers and Clergy are swamped with requests to try to help mend broken relationships. Broken homes will destroy our nation and cripple society faster than inflation, communism, separatism or crime. Juvenile delinquency is on the increase and it is felt this is largely due to the instability of the home.

Is there a solution? Gerald Wilson of Family Seminars, London, Ontario feels there is an answer. He will be presenting locally a series of seminars entitled "The Arts of Family Living". Rev. Wilson travels extensively in Canada and the United States conducting such weekly seminars.

You are invited to share in these seminars. There will be no registration fee charged. Don't miss this opportunity to enrich your marriage and strengthen your home.

SEMINARS WILL BE HELD:

SUNDAY, FEBRUARY 25TH AT 7 P.M. IN TERRACE BAY PUBLIC SCHOOL GYMNASIUM

MONDAY TO WEDNESDAY, FEBRUARY 26-28, 7:30 P.M. EACH NIGHT IN BIRCHWOOD

TERRACE, THE LOWER RECREATION ROOM. REFRESHMENTS WILL BE SERVED

Family Seminars are sponsored by Terrace Bay-Schreiber Children's Services Working Group and Terrace Bay Gospel Assembly.
