Canadian Radio-television and Telecommunications Commission

Conseil de la radiodiffusion et des télécommunications canadiennes

DECISION

Ottawa, February 6, 1979

Following a Public Hearing commencing October 17, 1978 in Thunder Bay, Ontario, the Canadian Radio-television and Telecommunications Commission announces the following decision effective forthwith.

Decision CRTC 79-110

TERRACE BAY, ONTARIO - 780869400

Lakeshore Community Television Limited

Applications to amend the cable television broadcasting licence for Terrace Bay, Ontario as follows:

| <u>Fees</u> | <u>Present Maximum Fee</u> | <u>Propose Maximum Fee</u> |
|------------------|----------------------------|----------------------------|
| Installation fee | \$25.00 | No change |
| Monthly fee | \$ 5.00 | \$6.00 |

Decision: APPROVED

The Commission considers that the new fee is reasonable, taking into account the small size and low density of the system.

J. G. Patenaude
Acting Secretary General

INDIAN AND NORTHERN AFFAIRS PARKS CANADA

Pukaskwa National Park has a requirement for the services of a mechanic to repair and maintain small motorized equipment, oversnow vehicles, outboard motors and larger marine craft. This service may be required for upwards of 250 hours per year and can best be supplied by contract.

Working space and some specialized equipment may be supplied by the Park if necessary.

Potential contractors must have a demonstration ability to repair and maintain the types of equipment operated by Pukaskwa National Park.

For further information, potential contractors should contact Mr. Marvin Burk, General Works Manager at 229-0801, Marathon or address their correspondence to P.O. Box 550, Marathon, Ontario POT 2E0.
