New school years

A revised school year, recently announced by Education Minister Bette Stephenson, eliminates Nov. 11 as a school holiday and will require schools to hold Remembrance services on that day.

Stephenson said if Remembrance Day falls on a Saturday or Sunday, Remembrance Day services will be held in schools on the preceding Friday. The change was recommended by the Royal Canadian Legion.

The school year will now consist of 194 school days of which there will be a minimum of 185 instructional days.

The March break has been moved ahead a

week and will be held the same week for all school boards. Easter Monday has also been fixed as a school holiday.

Boards will no longer have the option to designate another day as a holiday in lieu of Easter Monday. The Christmas vacation will be two full weeks but school boards will still be able to opt for a Christmas vacation that varies in length from year to year.

Up to nine of the 194 school days may be designated as professional activity days.

Dr. Stephenson said that the changes will become effective on Sept. 1, 1983.
