

Schreiber Recreation News

Minor Hockey News

The National Minor Hockey Week of January 15-22, 1983 was highlighted during last week's minor hockey activities by several events and furthermore was capped off with a Minor Hockey Player Night on Saturday, January 22. The evening featured the Schreiber North Stars playing against the Schreiber Minor Hockey Association executive and coaches and a showdown competition involving twelve minor hockey players.

The showdown competition involved three players from the Atom, Bantam and Midget divisions taking three shots at their respective goal tenders. Trophies were presented to the showdown champions as follows: Atom - Mike Speziale; Bantam - Kenton Klassen; Midget - Joe Speziale; Goalie -

Bryon Cosgrove. Congratulations to the winners and thanks for those other players participating in this event. Also a special note of thanks to those executive and coaches risking their pride and lives in playing against the high flying North Stars, especially Shannon Riley with an outstanding defensive game.

Atom Invitational Tournament

The Schreiber Minor Hockey Association will be hosting their first Atom Invitational Hockey Tournament on February 5, 6, 1983. The tournament will feature four Thunder Bay teams, area teams of the powerful Filane Flyers. Your support will be appreciated by our players.

Schreiber / Terrace Bay Intermediate Hockey Tournament

On February 18, 19,

20 the Schreiber - Terrace Bay Intermediates in conjunction with Carling O'Keefe Breweries will be hosting their Annual Invitational Hockey Tournament. The weekend will feature exciting hockey action, social events, and a lot of fun. For more information contact Mr. Mike Miller members of the Intermediate Executive or the Recreation Co-ordinator.

Recreation Program News

Saturday 10 a.m. to 9 p.m.

Sunday 12:00 a.m. to 4 p.m.

Note also that the weekend hours are changed in accordance with recreation complex activities.

Progress Notes: the McCausland Hospital

The McCausland Hospital Board is pleased to announce the arrival of Dr. W.G. Goldthorpe, M.D., D.P.H., C.C.F.P., to the Terrace Bay, Schreiber, Rossport area. Dr. Goldthorpe comes to us from Sioux Lookout and began work on January 24th, 1983. He has a tremendously varied educational background as well as work experiences. Gary graduated from the University of Toronto, School of Medi-

cine in 1961, received his diploma in Public Health from the University of Toronto in 1967 and completed his M.Sc. in Health Administration in 1970.

Dr. Goldthorpe's work experiences have taken him to such places as Pahang Malaysia, Kingston Jamaica, Ghana, Fort George, Quebec, Dalhousie New Brunswick, Toronto, and of course Sioux Lookout, Ontario. As well as practicing medicine Dr.

Goldthorpe has participated in numerous government health-related studies, as well as being an Assistant Professor at two Ontario Medical Schools.

The citizens of our communities, we are sure, will join the Board of Governors in welcoming Dr. Goldthorpe to our area. Gary will remain with us until mid May, 1983, when Dr. R. Mainman will return to practice medicine on May 1st, 1983.

With the departure of Dr. G.B. Croll to Thunder Bay and the voluntary retirement of Dr. A.B. Adey effective January 31st, 1983 from the Active Medical Staff, the complement of Active Medical Staff members practising family medicine at the McCausland Hospital will be two. Dr. Copeman's Underserved Area Programme will endeavour to provide an additional physician in the near future to meet

the approved Board Policy that there be a minimum of three family practitioners on the Active Medical Staff of the McCausland Hospital.

A further word about the Ontario Government's Underserved Area Programme: The main objective of this programme is to assist Northern communities to attract two full-time permanent physicians. It provides locum tenens or "part-time" physicians on a short term basis only, to ensure communities have adequate medical staff until permanent physicians can be attracted.

The Board of Governors would like to reassure the citizens it serves that the Board is aggressively searching for two permanent physicians; however, as most citizens can appreciate, the lead time in attracting physicians to the North can be considerable. With the excellent health care facilities at The McCausland Hospital, the Board feels it can achieve its objective by the Fall.

Dr. Adey will continue his office practise and

will have consultant privileges at the hospital. What do consultant medical privileges mean? A member of the consultant staff may give gratuitous consultant services on the request of active medical staff members, and provide assistance in the operating room in the event of a surgical emergency. He/she has of course full access to all diagnostic services available at the hospital e.g. laboratory, x-ray, physiotherapy as any licensed physician does with or without privileges. He/she cannot directly admit patients to the hospital nor

is required to be "on-call" for the Emergency Department.

If a physician with consultant privileges and operating an office practice feels a patient should be admitted to the hospital, that patient must be admitted by a physician with active medical staff privileges. This is a requirement of The Public Hospital Act of Ontario and Hospital By-law.

If you have any questions regarding the hospital that you would like to have answered, please feel free to call Mr. Donald Ross, Executive Director, at 825-3273.

PLEASE NOTE

For appointments with Dr. Goldthorpe please bring in your O.H.I.P. number.

For appointments with Drs. Adey & Wilkes in Schreiber call their offices for appointments.
