Birchwood

briefs . . .

continued from page 1 life, and also become a very important part of Birchwood's Resident Care Team.

On the sick list is Clem Downey, now in Thunder Bay for further tests, and Isobel Lewis at McCausland.

Gifts for the altar of lovely brass candlesticks, a beautiful Cross, and altar cloths given by St. John's Anglican Church Schreiber for the Chapel, have added to the special feeling and dignity to the Church Services held at Birchwood. Thank you, Father Delaney.

Christmas was a lovely and lively time. The tree from Woodlands was the best ever; 10 ft. tall and splendidly decked for the occasion. A luncheon was given to thank our super Ladies Auxiliary, and we had a visit from a Great Santa Claus, in every which way, Mr. Peter Monks fit the bill to perfection, and gave out the Christmas stockings to each resident, and broke bread with us too. Thank you Peter, you made the day.

We thank everyone in Terrace Bay who helped to make Christmas this year extra special, with not only gifts, but just popping in and saying Hey, especially Father Pottie and friends, we always have a great time when he comes in.

All the news for now, except to say a Happy New Year to you all and thanks once again for your support Schreiber friends, as well as Terrace Bay.

In 12-inch skillet over medium high heat, in hot salad oil, cook pork shoulder steaks till well browned on both sides. Remove steaks to plate.

set aside.

Into drippings in skillet, stir flour; cook, stirring constantly, till flour is dark brown (mixture will be thick). Add celery, green pepper and onion; cook over medium heat till vegetables are tender, about ten minutes, stirring often. Return steaks to skillet; add tomatoes with their liquid, sugar, salt, and hot pepper sauce; over high heat, heat to boiling. Reduce heat to low; cover and simmer 45 minutes to 1 hour till pork is fork-tender, stirring occasionally.

To serve, arrange pork steaks on warm platter. Skim off fat from sauce in skillet. Spoon vegetables and sauce over steaks. Makes 4 to 6 servings.

That's Real Coffee!

To revive scratched and dull wooden platters and bowls, especially dark woods - make a thick paste of instant coffee and water for a non-toxic stain. Rub in the stain with a clean sponge or cloth, wipe off any excess.
