The Helen Foulds Rink of Red Rock were victorious over Mary Hale's local Rink winning the 'A' Event of the Terrace Bay Ladies Bonspiel.

Foulds Rink wins Ladies Bonspiel

Thirty-two rinks and over 130 curlers competed at the Terrace Bay Curling Club on February 25th and 26th in the twenty-eighth Annual Ladies Bonspiel.

Organizer Anne Latour said that the Bonspiel was one of the largest and most successful that the Terrace Bay Club has ever hosted. "We had 32 rinks and 17 of them were from outside. We even had a team from Marathon that wanted to play but they entered too late and we had no room." Latour said that most of the credit for the success of the annual event should go to the organizers, including

Joyce Gilmour, Heather Vandergraf and Pat Commisso. "Joyce Gilmour was just a great worker. She needs a pat on the back. Heather Vandergraf scrounged for all the little prizes and Pat Commisso was there whenever we needed her. Rea Beaulieu did the Draw and did a terrific job."

The Bonspiel started at 4:00 p.m. Friday and finished at 5:30 on Saturday with the presentation of awards. The Bonspiel schedule included a banquet with Leon Theriault cutting the prime rib in his white chef's hat and white gloves and with the rest of the meal provided by

the local women. "We had some good curling, and a lovely skit organized by Porter and Larocque at the banquet. The Costume Judging went to a Rink from Red Rock."

Helen Fould's rink from Red Rock won the 'A' event with Mary Hale's Terrace Bay rink as runner-up. Mary's rink consisted of herself as skip, Maria Hermes as third, Marg Chalmers as second and Marily Chisholm as lead. Joan Macdonald's Red Rock rink was third in the "A" event and Jackie Miller's Schreiber rink came in fourth.

The 'B' event was won by Audrey Morgan's Schreiber rink

and saw an especially skillful final rock thrown by Audrey in her last game on Saturday afternoon. The Langtree rink of Kakabeka Falls took second place in the 'B' event with Terrace Bay's Mary Ann McDougall coming in third and Charmaine Lavallee also taking fourth place for Terrace Bay.

Julie Randa's rink took first place in the 'C' event with a team that included Dianne Caron third, Cheryl Fralick, second, and Marcie Cole lead. The Sahron Laverdure rink from Red Rock took second place and Barb Hopper's rink took third with Steffie Dorman's rink securing fourth place.

Eva Gordon, new Kinette Life Member with her husband Alec who is a Life Member of the Schreiber Kinsmen.

36 Years of service marked by Schreiber Kinettes

On February 14th a dinner was held in honour of Eva Gordon welcoming her back into the Schreiber Kinette Club with a Life Membership. Eva is the first Kinette to receive this award in the Thunder Bay Area.

The Elspeth Rogers Life Membership is new to Kinette Clubs. The Award is named after the wife of the Founder of Kinsmen, Hal Rogers. To be worthy of this award one must be a member of the Kinettes for a minimum of 7 years and have given service beyond that expected of any Kinette. The choice of a recipient for this award is determined by a committee of 3 members with at least 7 years active membership each and then agreed upon by the entire Kinette Club. We feel that Eva Gordon is truly a deserving member of this award.

Eva joined the Kinette Club of Schreiber on June 13, 1947. She has held all offices and chaired numerous projects in the community.

A surprise pot-luck dinner was held at the home of Peter and Mary Speziale. The room was beautifully decorated for the occasion with old photographs, hearts, cupid and valentines. Thanks, Mary, for the effective display.

Over 50 former and present Kinsmen and Kinettes attended this special event. Among the invited guests were Zone Kinette Co-ordinator, Leanne Murphy and Zone Secretary Tim Waite (both of Thunder Bay); Eva's daughter Bonnie and husband Don (Thunder Bay) and Eva's son Clyde and wife Elena of Schreiber. Eva was presented with a corsage by

Kinette President Anne Miller; her Life Membership Pin by Chairperson Edythe Cosgrove and her Life Membership Plaque by Zone Co-ordinator Leanne and Zone Secretary Tim.

Congratulatory letters were read from National President Bing Runquist and National Kinette Co-ordinator Glenda Cutforth both of Calgary. Letters were also read from Eva's sons Bruce of Coquitlam, B.C. and Jack of Thornhill, Ontario who could not be in attendance.

Eva was unaware until the last moment that she was to be the recipient of this award. Her total surprise left not a dry eye in the room.

Eva is an asset to the Schreiber Kinettes and is appreciated by all for her wisdom and wit.

Congratulations are extended to our new Life Member, Eva Gordon.

Terrace Bay Council supports parking for handicapped

The Terrace Bay Council has decided to take action to make it easier for handicapped people to get around town.

Rod Thompson appeared before the Council at its regular meeting on Monday, February 28 and spoke on the need for facilities for the handicapped. Thompson suggested that special parking be created at the Recreation Centre and on Simcoe Plaza and that additional light-

ing be put in place on the northeast corner of the Arena. In addition he suggested that increased attention be given to the removal of ice and snow in the area along the sidewalk between the Recreation Centre and the Swimming Pool.

Responding to Mr. Thompson Reeve Dave Speer said, "I have to agree with you Rod that there is a problem and it is one that has been overlooked for too long.

I have raised your point about parking with the Chief of Police. We have already received a memo from the Minister of Transportation and Communications, the Hon. James Snow, strongly recommending the adoption of By-laws establishing special parking spots for the handicapped. The Chief will be preparing draft by-laws for us. I want to thank you Rod, and we will get the parking by-laws underway tomorrow."

Mr. Thompson replied that, "I'm sure some people will be upset if you take two spaces in a heavily used parking area." Councillor Ollie Chapman said that she recognized that it might not be a universally popular move but said, "I see no reason why there couldn't be two parking spots put there for the handicapped." Councillor George Ramsay agreed and continued on page 6
