Police have been enforcing the Motorized

Snow Vehicles Act and six charges have been laid including operating a snowmobile without insurance and operating a snowmobile without registration.

Reports of minors on licensed premises have been received and police will be carrying out stringent checks of all functions having Special Occasion Permits. A spokesman for the local detachment said, "Persons making application for such Permits should completely familiarize themselves with their responsibilities in regards to security and minors present."

On February 17 several officers were called to Pays Plat as a result of a disturbance involving firearms. A male subject is in custody and will appear in Court in Schreiber.

As a result of several investigations in the Rossport and Pays Plat area three male subjects are awaiting Court appearances in connection with a number of incidents which have occurred in the past four months.

The local detachment logged eleven minor motor vehicle accidents in the month of February.
