Upcoming Courses
Woodworking Course
 We are very happy to announce that we will be offering a Woodworking Course for Beginners. The program will begin after Easter and will

consist of (8) eight 3 hour sessions for an 8 week period. Registration is being accepted and the maximum involvement is 12 so don't delay, call today if interested. The course will explain the use of tools, safety procedures and the completion of one project. Participants will be allowed to choose their own project, however the instructor will decide if time permits and will have the final say. Books will be available at the first class to choose your project. Call today for more details or to register call 3542.

Ladies Get Fit

Interest has been expressed to start another session of Ladies Get Fit in the mornings beginning March 28th. The time of the session will be 10:15 to 11:15 a.m. for a six week period. All sessions will be held in the Conference Room and the sessions will consist of warm up, fitness room workout, proper use of equipment and various other exer-

cises. The instructor is Cindy Thompson. The deadline to register is Thursday March 24th.

Aerobic Exercise for men and women

This is not an Aerobic Dance session. It is Aerobic Exercises for Men and Women. The course will be held on Monday and Wednesday beginning Monday April 11th to Wednesday May 18th. If you wish to insure your spot in this popular group call the office at 3542. The instructor for this course is Lyn Black and all sessions will be held at St. Martin's School. The deadline to enter is quickly approaching, April 6th.

Weight Training for Youth

There is a very good possibility, if interest is sufficient, that a Youth 10-15 year program on proper use of weight training equipment will be offered in the near future. In addition the use of equipment a program will be developed for the

youngsters. Instructor for this course will be Joe Kostecki. If you are between 10 and 15 years of age and interested please give us a call.

Open Bowling

The Bowling Alley in the past two months has gained popularity and we have added Sunday from 2:00 to 5:00 p.m. for those interested in Open Bowling. The Bowling Alley is also open to the public Wed-

nesday from 7:00 to 10:00 p.m. Any group requesting use of the facility for Birthday or family get togethers are requested to make their reservations by calling 3542.

of the Arena. Hydro Commissioner Joe Kennedy said that he had discussed the light with Ontario Hydro and that he believed that there was no need to erect a new pole in order to install the light. Reeve Speer said that he had discussed the matter with Clerk Bill Hanley. "There should be a light on the north east corner, but we may have

some problems with the Building Act in using a new standard. The light should go onto the building itself and be part and parcel of the Recreation Centre." Commissioner Kennedy said, "Let me get back to Ontario Hydro and we will have another look at it."

In another question on the Minutes, Councillor Kennedy asked, "We approved in principle support for the figure skating club. Have we heard anything back from them?" Councillor Houston replied, "They haven't yet given us a price tag." Councillor George Ramsay added, "There is a possibility that this Council will make up some shortfall if they can't raise it all. However, the taxpayer is pretty hard pressed. If it is a case of not going at all we should of course support it."

Under Correspondence, a local group called Project Mayday wrote to the Council to inform them that the group will be collecting information locally on the need for alternate housing for battered women on the North Shore. Heather Vandergraf is the Project's local representative and she will be contacting the municipal office staff.

The provincial Ministry of Municipal Affairs and Housing informed the Council that the Terrace Bay Official Plan will not receive immediate approval by the Minister because of objections being raised by the Ministry of Natural Resources. Questioned about the delay Reeve Speer said, "I expected as much, that they would not approve it. There are certain areas that they brought up in the formulation of the Plan. We considered the objections but felt that the Plan as it stood was what we wanted so we stuck to our guns. Under the Act the Minister is free to arbitrarily change our Plan if he wants to. The issues are small points but it is delaying the process, however, we expected this."

The Ministry of Transportation and Communications wrote to advise the Town that its Zone painting crew (highway lines) would be working in the area this summer and wanted to know if the Town wanted to use the crew on its own streets. On a motion moved by Joe Kennedy, seconded by George Ramsay, the Council requested the MTC to do Zone painting work (white lines),

as required and agreed to have the Township pay the costs.

Councillor Houston said that he was dissatisfied with the way the road lines were laid out on Selkirk and Radisson. "If you follow that yellow line you're going to drive right into the curb where the street splits." He requested that the lines be set properly when the painting is done.

A Terrace Heights resident wrote to express concern about the safety of children on bicycles in the area and to suggest that a bicycle safety rodeo be held and that sidewalks be built in parts of Terrace Heights. "Sidewalks would sure be nice but I'm probably going to be told that they are too expensive, but I'm going to try anyway."

Reeve Speer said, "I really appreciate receiving this kind of letter, it's encouraging. The Chief of Police does have a bicycle school yearly and I will discuss this with him." Councillor George Ramsay said, "I think she is quite right when she says we can't afford to put in sidewalks. I don't even know if in the on long term we would be considering them in that area." Councillor Kennedy took up the point and said, "The area she is talking about is where the road junctions in front of Russ Phillip's place. There is a hump in the road and you can't see what is coming. It's a blind spot and people go through there like a bat out of hell. We should do something about it." Councillor Ramsay finished off the debate saying, "I think we should send a letter saying we will be having a bicycle safety school, and as far as sidewalks, we will have to say that we can't afford them."

Under Committee Reports, Councillor Kennedy suggested the setting of a date for the annual Spring Clean-Up Week. "It's getting around to that time of the year and I think in the very near future we are going to have to set a week for the spring clean-up."

Reeve Speer reported that the Planning Board is working with MP Keith Penner and MPP Jack Stokes on the setting up of an Economic Development Seminar for April 29. The Seminar will involve Marathon and Schreiber and be held in Terrace Bay. Councillor George Ramsay was appointed to the organizing Committee to represent Terrace Bay.
