THIS AD COULD BE ALL THAT'S STANDING BETWEEN YOU AND A FOSTER CHILD.

On the surface, it's not difficult to have a mistaken impression about foster care.

And if you never take the time to crack the surface, and find out the facts, you might very well be denying yourself, and a foster child, a very rewarding experience.

Your willingness to care may be all the qualification you need to be a foster parent. Financial assistance, guidance and support are available to foster parents.

The personal rewards of sharing your love with a child or young person who really needs you are very great.

Please contact your local Children's Aid Society or Family and Children's Services, and find out more about foster care.

The children need you now, more than ever before. And maybe you need them too.
