Looking back...

Canadians were to get their first look at the new Postal Codes on April 1. Terrace Bay's code was to be POT 2W0 and Schreiber's POT 2S0.

The Chamber of Commerce requested that the Post Office lobby "be opened for a period of two hours on Sunday to enable our citizens who travel on a weekend the opportunity to pick up their mail and newspapers." The Post Office replied, "Due to the history of vandalism, the reopening of the lobby cannot be considered at this time. In view of the situation, we regret to have to deny your re-

quest."

Ski Club News: "Last Sunday 28 entrants pitted themselves against the torturous obstacle course in what proved to be a popular novelty event.

The rules had to be revised somewhat to eliminate the tubing part of the event as the tube deflated during the third entrant's run.

Awards were as follows. First - Robert Vanderkam, second - Leigh Ann McBride, Third - Jan Prinselaar, Special effort (youngest skier) - Carol Moore, special effort (opposite end of the scale) - Marilyn Chisholm.
