Lemon Chiffon Deluxe Pie

Makes one 9" pie

1/3 cup chopped pecans
1/3 cup packed brown sugar

2 tbsp. margarine, softened
1 baked 9 inch pie shell
1 envelope [1 oz.] unflavoured gelatin
1 cup sugar [white]
1/2 tsp. salt
4 egg yolks
1/3 cup fresh lemon juice
2/3 cup water
1 tsp. grated lemon rind
4 egg whites
1/2 cup heavy cream, whipped
chopped pecans

In small bowl, combine 1/3 cup chopped pecans, brown sugar, and margarine. Blend well, gently press mixture onto bottom of pie shell with back of spoon. Set aside.

In medium saucepan combine gelatin, 1/2 cup of sugar, white and salt.

In small bowl, beat together egg yolks, lemon juice, and water. Stir into gelatin mixture. Cook over medium heat, stirring just till mixture comes to a boil and gelatin is dissolved. Remove from heat and stir in lemon rind. Chill, stirring occasionally, till mixture is almost set.

Meanwhile, in a large bowl, beat egg whites, gradually add remaining sugar, beating till stiff peaks form when beaters are pulled up. Fold in gelatin mixture. Fold in whipped cream. Pile into pastry shell. Chill till firm. Garnish with chopped pecans.

Handy Tips

To brighten up your rugs from time to time, sponge them with a solution of one part vinegar to eight parts of warm water.

Pack breakables in popped popcorn, which is light and economical, because it can be eaten later. Of course the breakables should be clean enough to eat out of, and the packing box should be lined inside with some kind of food wrapper. Dry popcorn, please, the recipient can add butter and salt.
