

Teen Challenge Choir

An exceptional Choir will present a unique program of music and drama at the Terrace Bay Public School Gym on Saturday April 23rd at 7:00 p.m.

The choir consists of approximately fifteen young men who come from throughout Canada and some from the United States. These men are just a representation of the men who reside at the Teen Challenge Centre based in Hamilton, Ontario.

The work of Teen Challenge for years has been a forerunner in dealing with drug addicts and others with

serious life controlling problems. According to a recent government sponsored research project, into the effectiveness of the Teen Challenge program for drug addicts and alcoholics, this program is the most successful rehabilitation facility known today. The first Teen Challenge centre of its kind was started in New York City by Rev. David Wilkerson, who wrote the multi-million copy best-seller book called "The Cross & The Switchblade."

This choir has done many concerts in high schools, jails, churches,

coffee houses, as well as appearing on television. The lives of young and old have been influenced by the unusual presentation of the choir in each town and city they have visited.

Be sure to attend the sacred music program for this area along with a friend, and see why this is indeed a unique choir! You will be stirred as the men share life experiences, and relate to the problems many of us are facing in our nation today.

The public is cordially invited to attend, no admission charge.
