### Correspondence

Under Correspondence the Town of Geraldton wrote asking Schreiber's support. The Ministry of Colleges and Universities is presently cutting funds for trades training in favour of high technolo-

gy. Trades training is presently going on in Geraldton and the program will probably be cut back. Men are trained under the program to use equipment and skills for the forestry industry.

The Rosspoint Fish Derby Committee requested financial help from the Council to help put on the Derby again this year. The Council decided to donate \$50 on a Motion by Councillor Larry Dunwoody, seconded by Councillor Burton Phillips.

The Cubs and Beavers requested free use of the Town Hall. The request was granted.

The Council received a letter from the District Child Welfare Budget Board requesting the name of a Councillor willing to stand for nomination to the Board. Councillor Ed Borutski's name will be forwarded to stand for election to the Budget Board.

### Accounts

General accounts for \$31,912.52 and Water Works accounts for \$24,740.61 were approved.

### Business

The Council established a \$5.00 an hour pay rate for temporary part time employees.

On a Motion by Councillor Burton Phillips, seconded by Councillor Larry Dunwoody, the Council approved the sale of Lot 2, plan 826, section 6, known as 225 Drummond Street by Mr. Y. Carrier. The property was sold by tender and the bid was \$8,100.
