

Lighthouses ...

continued from page 13
days at the light and wish that they were back

there again. Bill and Josie call it their Island of Paradise. Now he says he is retired and put out to pasture and

taking life easy but when spring rolls around each year his heart turns back to his Island of Paradise and

looks far off in the distance, as if he could picture his life on the island and starting all over again.

The couple made many new friends from both the American and Canadian side as many boats called in to share a cup of coffee and Josie's pastries. She loves to bake and try new recipes. She spent some of her leisure hours making quilts, afghans and other needlecraft. Her kitchen and flower gardens on the island were attractive. The couple saw moose, deer and foxes occasionally. Rabbits were plentiful and sometimes a partridge family would be on the islands.

The 19th Hole

by M. MOORE

It's that time of year again, with the return of the geese comes the return of the golf bug! The 1983 executives of

the mens and ladies clubs have been busily preparing for the upcoming season. Programs are in place and tournament schedules will be posted in the clubhouse shortly.

There are a few new ideas and faces that you will be seeing at the course and some friendly faces missing from behind the counter in the clubhouse. This season we say good-bye to Howard and Ruth, and thanks for a job well done, your hard work and well supplied pro shop will be greatly missed this year.

With the loss of Ruth and Howard from the

pro shop, we welcome Carol Koshowski, wife of our returning greenskeeper Mike. Carol will be working hard to provide golfers with light snacks and beverages as well as the basic necessities from our pro shop. Assisting Carol will be D'Arcy Weberg and Tim Wilson.

To encourage more families to play golf we are instituting a family membership this year. All families with 3 or more golfers (family being father, mother, daughter, son) will be eligible for a family rate. Memberships are now available at the clubhouse and green fees must now also be paid.

With the co-operation of the Terrace Bay - Schreiber News, I will attempt to keep golfers informed, on a weekly basis, of the happenings at YOUR Agua-sabon golf club. Remember, it is your course, so treat it as you would your own personal property.
