

Rosspport Notes

by ANNE TODESCO

Mr. and Mrs. Steve Sipos of Dryden, Ont. visited Mrs. Anne Todesco on the weekend. Mr. Sipos taught school here in the 1960's. He is on the staff of the Dryden High School now and also Mayor of that community.

Mrs. Prina Gerow has left to holiday with friends in Sudbury.

Mr. and Mrs. Amedi Prairie of Dryden were guests of Mr. and Mrs. Eugene Gerow recently. Mrs. Prairie is the

former Evelyn King, born and raised here. Welcome Evelyn on seeing you again.

The Hall Committee met Sunday evening for their monthly meeting. It was chaired by Mrs. Prina Gerow and Lorraine Sepala was the secretary. The main topic on the agenda was to make plans for an open house and tea at the end of May to celebrate the renovations on the Community Hall. The hall has had new siding on the exterior, new entrance built with a new kitchen, washrooms and a bar added. Everyone is welcome to the event.

Some new furnishings for the building were discussed and the equip-

ment in storage to be regarding purchasing a speaker system for the hall which is badly needed for entertainment.

Four male persons were added to the working committee - namely Peter Gerow, Bob Collinson, Danny Legault and Joe Campbell. The meeting was held in the Community Hall.

The Firefighters group held a special meeting to come up with suggestions and plans for their booth on Derby weekend in June. Workers time is to be staggered so that relief can be had. No team of workers will be left too long manning the booth. The meeting was chaired by Mrs. Pat Campbell. Plans were discussed as

to the decoration of their booth, ice and water services, etc. and tables and seats for the occasion. There is only a month left to get everything in working order. The meeting was held Thursday evening in the Rosspport Hall.

Miss Beverley Legault made a business trip to Geraldton on the weekend.

Mr. and Mrs. Eugene Gerow have returned from a holiday in Sudbury.

Mrs. Hilda Mushqush is a patient in Nipigon Memorial Hospital.

Mr. and Mrs. Josephine and Ray Kenney attended the funeral of the late Mrs. Grace Bruley in Thunder Bay, Monday morning.

Mr. and Mrs. J. Fleming and family have left to reside in Schreiber.

Ned Basher of Duluth has purchased the Rosspport Inn and is busy renovating and redecorating the property. We are all looking forward to having the business in operation again. It is an old landmark of the village and almost a hundred years old. A specialty on the menu was the lake trout and blueberry pie dinners.

The ice is almost gone from the harbour and it will be a pleasure to see the many pleasure craft anchored once more and the coming and going of the sailboats, speed boats, and other pleasure cruisers.

Large flocks of geese are still flying north, many of them rest or spend the night at the open channel at the entrance to the harbour.

Mrs. Eileen Rouble motored to Thunder Bay during the week.

St. Martin of Tours

As part of its contribution to Family Unity Month, St. Martin of Tours Church will be sponsoring a seminar on natural family planning. The seminar will include the sympto-thermal and temperature and evaluation methods. Speakers will be Dennis and Mary Jo McDermott of Thunder Bay who are with the SERENA Natural Family Planning Movement. The Serena Movement, which receives government grants, is a unique service oriented toward the development of the couples so that they can undertake the responsibility for their fertility as a couple. This is an approach which opens the way to a positive view of family planning. Serena goes far beyond the application

of a technique by motivating couples to take responsibility for their own development. It rallies all the resources of the human person.

Serena also provides information to teenagers through participation in family life programs. The seminar is open to

all married and engaged couples and to anyone else who is interested. It will be held on Friday, May 13 from 7 to 9 p.m. at St. Martin of Tours Church Hall. There is no charge for the service and more information can be obtained by calling 825-3231.
