Sports

After the Badminton teams successful participation in the N.S.S.A.A., some of the players went on to compete in the North Western Ontario Secondary School Athletic Association (N.W.O.S.S.A.A.) competitions in Thunder Bay. The individual results were as follows: Donna Shynkaryk: second place in Senior

Singles; Heather Nugent and Tanice: third place in Senior Doubles; Curtis Evoy: second place in Junior Singles.

Donna Shynkaryk has now travelled to Toronto to compete in the O.F.S.S.A. championships.

Soccer practices have now begun with Mr. McDougall and Mr. Vandergraaf having the hard task of choosing a team out of many prospective players. A little twist has been added to this year's practices as a couple of girls have ventured to try out for the team.

Track and Field practices have also begun this week with Ms. Sue Hurley and Virginia Stortini coaching.

Special Events

A 'Jump Into Summer' dance was held on Friday, April 29. The dance was set up and run by the cheerleaders.

More of London ... Although I have told of many of the expeditions that this group went on, I seem to have just skimmed the top.

There were many things that I did not tell of. But, although these events may not have been as exciting as our trip to France, they were just as significant.

We did see many of the grand, and ancient buildings in London where history is abundant. However, everyone also seemed to enjoy riding on the double-decker buses and taking wild taxi rides throughout the narrow streets of London just as much.

A few of the adventurous students discovered Carnaby Street - the shopping mall of the city's punk rockers, which, by the way, were also in abundance. Imagine the looks of shock on some of the Terrace Bay and Schreiber parents' faces when their seemingly well-adjusted children got off the train with a realistic Mohawk hair cut!

Yes, the city of London has a lot to offer, whether a person be a historical freak, or rather just a curious and

adventurous traveller. Because the London trip was such a success, a few appetites have been sharpened. Plans have already begun for next year's trip, and fund-

raising for Greece '84 is in the making. About 60 prospective travellers are interested, but the group's exact number will not be known until it is time to pay the fares.

P.S. Chris Miller would like to say that a juke box has been installed in the lunch room on the Terrace Bay campus, and fun is being had by all.

THANK YOU

Our thanks go out to the people of Terrace Bay who supported us during our bottle drive on April 30.

Thanks also to the Legion Branch 223 for their generous donation.
