

Hilda's Fixins

Bean Pie

1 unbaked 9" pie shell
 1 cup sugar [1/2 cup white, 1/2 cup brown]
 1/3 cup butter or margarine
 1 cup cooked navy beans, pureed or mashed smooth
 2 eggs
 2/3 cup evaporated milk
 2 tsp. cinnamon
 2 tsp. cornstarch
 2 drops yellow food colouring
 1/3 tsp. lemon extract
 2/3 tsp. vanilla extract

Cream butter and sugars, add cinnamon and cornstarch. Beat in one egg at a time, add beans and milk and blend until smooth. Blend in food colouring and flavouring. Pour into unbaked pie shell and bake in preheated 400 degree oven for 10 min-

utes. Reduce heat to 350 deg., and bake 45 more minutes. Pie is done when tester inserted in center comes out clean. This tastes like a pecan pie.

Handy Tips

Wash corduroy garments inside out to avoid lint deposits. Brush them while they are still damp, to remove any lint that may have sneaked through.

If you don't have a washing machine, or when you just want to wash a few clothes, put them in your tub or sink and use your rubber plunger in an up-and-down motion - the same way you'd use it to unstop a clogged drain. This method is safe for delicate fabrics. But be prepared for splashing!

The 19th Hole

by M. MOORE

The past week saw the Men's Club Executive meet at the home of Terry and Sue Hay. A proposal by Bill Stachiw, unanimously agreed to by the executive, will see our annual open renamed "The Bill Hanley Memorial Open" to commemorate a friend who was instrumental in the growth of golf, in Terrace Bay.

Also at this meeting the executive approved

a new club logo created by Mr. Lorne O'Neil. The logo will be used on caps, shirts, glassware, crests, and stationary. A presentation will be made to Mr. O'Neil as soon as possible.

The course is coming along well and it is hoped that the greens will be in use shortly. Once the greens are in use, the men's Wednesday Twilights will begin. Please note that there will be an increase in the entry fee.

While on the subject of Twilights, the Ladies Twilights will be run on Tuesdays and golfers (men and ladies and juniors) are asked to note that the Twilight players have preference on the course.

The men's and ladies' executives are working hard for YOUR enjoyment so please make the most of the events being offered.

available for spring garbage pick-up."

"Just as an example of the importance we as a Town place on this annual campaign, we will be hosting the District Horticultural Society's Annual Convention next weekend. The fountain is being prepared for illumination this summer and we will be doing extensive work this summer to maintain the green areas around the community. Kimberly-Clark has always been

very cooperative and we as a Council appreciated very much their joining with us in this effort by sponsoring the ad in last week's paper promoting the Clean-Up".

Public Works Foreman Roy Cornfield said that any trash or debris can be left at the curbside and the public works crew would remove it. He went on to say that owners of derelict vehicles can contact the Township and that the vehicles would be removed at a later date.
