"TREES FOR CANADA"

Three million trees will be planted in Canada this year by Beavers, Cubs, and Scouts participating in the "Trees for Canada" project.

The funds are raised through pledges from people in each community involved. In most communities only one contact will be made with a householder. This combined with knowing how many trees (50 trees each) the Beaver, Cub or Scout will plant, makes it easy to determine how much to pledge.

Each boy on Wednesday, June 8th, 1983 will be asking you to sponsor him for each tree planted. To save a return trip the boys will ask for your pledges at the time of sponsorship.

Our "Trees for Canada" 1983 project of 1500 trees will be planted on Saturday, June 18, 1983, at a location along the Mill Road. A sign will be erected to mark the location. The results of this project will be a more beautiful Canada.

"Trees for Canada" is a project concerned with tomorrow. A tomorrow which will be better because the community supported the Beavers, Cubs and Scouts today.
