

# Licences for deer hunt now available

Licences for the 1983 Ontario deer hunt are now available at offices of the Ministry of Natural Resources, sporting goods store and other licence issuers.

All deer hunters —

Ontario residents, non-residents and farmers — need a licence to harvest one antlered deer in the 1983 season. Only Ontario residents are allowed to hunt antlerless deer, and only if

their applications are selected in a computerized, random draw. Application forms for the antlerless deer hunt are attached to the resident's and farmer's deer licences. To be eligible for

the draw, applications must be received by the Wildlife Branch, Ontario Ministry of Natural Resources at Queen's Park in Toronto by 5 p.m., July 29, 1983.

This year, the ministry will not send out information packages reminding hunters of the application deadline, but will issue posters and public notices to keep hunters informed.

As in previous years, hunters must indicate on the application their first and

— if they wish — their second choice of the Wildlife Management Units in which they wish to hunt. To help choose, each licence issuer has a map showing the 1983 deer seasons and a chart showing the tag quotas and numbers of draw applications available for each WMU.

Successful applicants will be notified by mail.

A second deadline deer hunters must remember is August 31

when applications for the southern Ontario controlled deer hunts must be received by the ministry district offices organizing the hunts. Applications should be picked up from the same district offices

after August 1, 1983. For more information deer hunters should consult the Summary of the Hunting Regulations or contact the nearest district office of the Ministry of Natural Resources.

With the men's club championship only 4 weeks those that wish to enter should be carding their scores for handicap. This notice is also up for men's match play and it is expected to start the first week of July. We will once again have a consolation side this year as it worked well last year.

As a note of interest for the ladies, representatives from the C.L.G.A. will be in our area Friday, June 17th. They will be in Marathon for the morning, and will rate our club in the after-

noon. These people, in conjunction with the ladies club exec., will host a seminar after dinner, at the Red Dog Inn. Further information can be obtained from Mrs. Kathleen Mikkonen (825-3569) or any member of the ladies executive.
