

# Information sessions on land use guidelines

June 20, 1983

Information sessions to discuss detailed district land use guidelines will be held June 27th to June 30th at the district office of the Ontario Ministry of Natural Resources in Terrace Bay. The Natural Resources Minister announced

the completion of the land use guidelines June 2nd. As well as outlining ways to deal with resource issues, the Minister announced 155 proposed candidate parks, including six wilderness parks that have been approved by Cabinet.

"These detailed documents will provide the public, municipalities and interest groups with an indication of the ministry's intentions in resource management for years to come, and allow the local ministry staff to explain the decisions

made during the study process", said Paul Strassburger, District Manager, Terrace Bay. He said the district guidelines will provide direction to ministry staff in the integrated management of forests, fish, wildlife, mineral

resources, provincial parks and recreational areas, and Crown lands and waters. In announcing the completion of the resource land use planning program, the minister called it "a first for Canada and one of the

most comprehensive studies of its kind anywhere". He emphasized that the guidelines are not controls. "They are flexible, they may change as circumstances dictate and they are subject to continues public input."

The guidelines are important to Ontario because they provide an improved framework for planning which will allow all Ontarians to take part in natural resources development to the greatest benefit of all.

## The 19th Hole

by MIKE MOORE

To open, I must apologize to Paul Malashewski for announcing his victory in the Board of Directors, as being his first golf trophy. Paul has, in fact, three other trophies related to his golfing ability.

33 golfers played the June 22nd Twilight.

The winners are:  
0-14

- 1st Low Gross - Terry Hay - 37
- 2nd Low Gross - Paul Malashewski - 37
- 3rd Low Gross - Paul Dashkowitz - 38
- 1st Low net - Terry O'Neill - 34
- 2nd Low Net - Bill Stachiw - 35
- 3rd Low net - Rick Desonghe - 36

- 15 plus
- 1st Low Gross - Len (Sandy) Webb - 42
- 2nd Low Gross - Bruce Hiller - 43
- 3rd Low Gross - Jim Figliomeni - 44
- 1st Low Net - Don Yule - 29
- 2nd Low Net - Charlie Matson - 33
- 3rd Low Net - John Kowalchuk - 36½

Special mention must go out this week to 2 golfers who have made tremendous improvements to their game. Because of their tireless efforts, they have made handicap chairman Paul Malashewski, sharpen many pencils and use a lot of erasers.

Congratulations to Don Yule for a fine round 49 gross which enables him to capture last week's 1st low net in the 15 plus over handicap division. Keep up the good work Don!!

And what can you say to Sandy Webb? A dedicated duffer, with an honest 25 handicap, shot a blistering 42 gross to claim 1st low gross in the 15 and over division of last week's Twilight. I thank Len for the honour and privilege, of being in the same foursome with Terry O'Neill, and Scotty Hamilton and witnessing his great triumph.

It's performances such as these that make writing this column such a joy!!
