MILERS CLUB

Due to the success of last summers 100 Mile Club the Parks and Recreation Dept. is happy to announce the "Schreiber Milers Club". The concept of recording the distance you as an individual walks or jogs throughout the summer has not changed. However, the program has been expanded to allow individuals to apply miles jogged this summer for the 1984 summer and so forth.

The program is based on a self-administered approach, whereby you phone in or bring in weekly results every Friday at the Recreation Office. We will supply you with participation log.

The Schreiber Milers Club members progress will be announced in the Terrace Bay Schreiber News, and will be posted on the Club Progress chart at the Recreation Complex. Fit Fivers can use their walking and/or jogging for their Fit Five Levels.

Teacher retires

continued from page 5

early days of her career.

From Englehart, Mrs. Mikus moved to White River where she met her husband, John. From there, the couple moved to Terrace Bay and Shirley taught in Schreiber Public School. After a break to raise a family, Mrs. Mikus returned to teach at Terrace Bay Public School in 1966 where she has been on staff ever since.

Following dinner, Mr. Don Davey, acting as president of the Lake Superior District of the Ontario Public School Teachers' Federation, presented Shirley with a gift as a 'thank you' for her years of federation-related work. Earlier in May, Shirley was honoured by her fellow members in The Lake Superior Women Teachers' Association (Federation of Women Teachers Associations of Ontario). Mrs. Joan Nugent, Trustee pre-

sented Shirley with an engraved silver tray on behalf of The Lake Superior Board of Education. Mrs. Nugent thanked Shirley for her dedicated service to the Board and to students of Terrace Bay.

The group then moved to the Mikus home (traditional site for the June windup)

and Shirley was surprised and pleased to see her rec. room decorated with tributes from every class in the school! All assembled took great delight in reading the students' work. The staff then had her open a very well-travelled suitcase which contained many reminders of school activities includ-

ing an engraved "pass to the school". Shirley then opened a beautiful gift of luggage from her fellow teachers.

The contributions of Mrs. Shirley Mikus to the education of young people in Terrace Bay will be greatly missed. Shirley and John are wished a long and happy retirement.
