Ladies Golf Club

The Ladies Golf Club has been very fortunate this year, we haven't had to play in the rain, so far.

The Board of Directors tournament was held on June 26th and the winners were:

- Low Gross - Jean Megraw,
- Low Net - M. Phillips,
- Second Low Net - Cathy Stachiw.

On July 16th and 17th, the ladies played the Club Championships and the 40 handicap tournament. After 36 holes of Golf in sweltering heat, the winners were:

- Low Gross - Jean Megraw,
- Runner up - Low Gross - Ann Chalmers,
- Low Net - M. Phillips,
- 40 Handicap - Gerri Strassburger.

Our Ladies Invitational Tournament is coming up on Aug. 7th,

and we hope that all our local golfers will participate. M. Phillips will contact the members soon, in regards to the dinner we will serve to all the golfers.

The Tuesday night twilights have been a great success, so far, due to the good weather and we hope this will continue.

Schreiber ball hockey

The Schreiber Senior Ball Hockey League will be hosting, in conjunction with the Recreation Department, an Invitational Senior Hockey Tournament on August 13th and 14th, at the Schreiber Arena. This tournament will feature teams throughout the North Shore, and should provide exciting and unique hockey action.

All Schreiber residents are cordially invited to come out and support the Schreiber Teams. Admission is

free, and the concession booth will be open for your convenience.

The Schreiber League is composed of three teams participating in a 48 game regular schedule. Playoffs will immediately follow the conclusion of regular season play.

League play is every Tuesday and Thursday evening from 7-10 p.m. The players welcome fan support.

National Motocross Championship scheduled

ROSS PEDERSON - HEAVY FAVORITE.

Going into this year's National Motocross Championships, Canada's number one rider, Ross Pederson is heavily favoured. Ross has been open class champion in 1980, '81, and last year he won the triple crown of motocross, the 125, 250 and Open Class Championships. He has also been Canadian Supercross champion in 1980, '81, '82, and again in 1983. Ross is by far the best Canadian rider ever, and has also had excellent results in the U.S.A.

Canada's #2 rider is Pierre Couture from Quebec. Pierre is a Honda Canada rider and has never won a #1 plate, but has always been right near the top.

Zoli Berenyi from Edmonton, Alberta is the #3 rider and he also rides for Honda Canada. Zoli was 125 Champion in 1978, but would like to get an Open Class title to his credit. Tim Krogh, who is also a Honda Canada rider, from Vancouver, B.C. is the #4 rider. Anyone who was out for our first race this year at Cameron Falls saw Tim win every moto in the expert class!

Don't forget the National Championship at Cameron Falls Moto Park on August 7, 1983. Advance tickets that give you a chance to win a Honda 110 ATC are on sale from club members, and we will also be selling them downtown on the weekends.

If you want to get involved in the National, call Larry Stansell 886-2674. We still need volunteers. Stay tuned until next week when we will tell you all about our local riders.

Pilgrimage to Schreiber

All the Catholic parishes and missions on the North Shore are being invited to take part in a Holy Year Rally that is being staged at Holy Angels' Church in Schreiber on Sunday, August 7th, beginning at 2 p.m.

It is expected that twelve to fifteen hundred people of all ages will converge by cars and busses on that day, which is to celebrate the Holy Year that was declared by Pope John Paul, to observe the

1950th anniversary of the death and resurrection of the Lord in 33 A.D. It is a jubilee year of reconciliation and special favour.

The parishes of Red Rock, Beardmore, Nipigon, Schreiber, Marathon and Terrace Bay

will all be taking part, along with the missions of Dorion, Macdiarmid, Pays Plat, Rossport and Heron Bay.

Plans are not quite finalized - but the centrepiece of the Rally will be an outdoor Mass preceded by a formal pro-

cession and then followed by a bring-your-own supper on the church grounds.

Father Pat Stilla, newly appointed Chancellor of the diocese of Thunder Bay is the invited preacher at the Mass.

Pukaskwa National Park

Visitor Activity Schedule

To share with you some of the spectacular and subtle wonders of Pukaskwa, the park Interpretive staff provide a full programme of free activities.

FRIDAY, JULY 29th: 8:00 p.m.: PATCH 'N PARKS.

In an enjoyable relaxed setting, Patch, a man without words, will tell you about the benefits and problems of parks. This will be held at Horseshoe Beach and will run for approx. one hour.

SATURDAY, JULY

30th: 10:00 a.m. - ROCK WALK.

A naturalist will introduce you to the geology of the park in a short (1.5 km) walk along the Lake Superior shoreline. This will be held at the Visitor Centre and will run about 1½ hours.

2:00 p.m. - CALLING ALL JUNIOR NATURALISTS!

Join us for an afternoon of fun and games, films and fantasies. This event will be held at the Visitor Centre and runs about 1½ hours.

WEDNESDAY, AUG-

UST 3rd: 10:00 a.m. - BIRDS GALORE!

On a short walk (1.5 km) hike with Tom, learn to call in birds, and identify them by sight and sound. This also will be held at the Visitor Centre and will run for 1½ hours.

The Visitor Centre will be open from 10 a.m. - 9 p.m. (Fri.-Sat.) and 11 a.m. - 7 p.m. other days.

For more information, please call the park office at 229-0801.

THANK YOU

We would like to thank all those who attended our outdoor Stag and Doe. Special thanks to Keith, Cathy, Rick, Tom, Mike and Sam, your help was greatly appreciated.

Carolyn June Vanderkam of Terrace Bay, Ontario graduated with a Bachelor of Science degree, honours in Kinesiology, in the spring convocation at the University of Waterloo. Carolyn will be furthering her studies at Lakehead University where she will complete her Bachelor of Education.

A fund of \$500,000 has been established for research on acquired immune deficiency syndrome (AIDS), according to provincial Health Minister Keith Norton.

The Ontario research will be part of an international effort to deal with the mysterious ailment which restricts the body's natural ability to fight disease, said Norton.

Several deaths have resulted from AIDS,

mostly in the United States. Norton said 31 cases have been diagnosed in Canada.

As part of the fund, a team of researchers, headed by Dr. Colin Soskolne of the University of Toronto, will receive up to \$100,000 to define the preliminary stages of AIDS and to provide information on its transmission and risk factors.

To date, the groups with the greatest risk of contracting AIDS appear to be male homosexuals or Haitians. Research in both Canada and the United States has concentrated on them.

The Advisory Committee on AIDS, set up earlier by the ministry, has recognized the need for research support. Its first recommendation to the ministry, to make AIDS a reportable disease, will be carried out by late summer, according to a ministry press release.

Once it is made reportable, all provincial physicians will be required to report AIDS to the local medical officer of health, thereby setting up a valuable monitoring system.

In addition, the Advisory Committee is establishing a province-wide network of physicians to handle referrals and local requests for information on AIDS.

There will also be a physicians' hotline on AIDS and information on the disease for publication in the next Ontario Medical Association and Registered Nurses Association of Ontario newsletters.

The Advisory Committee on AIDS is made up of representatives from the University of Toronto, Ontario Hospital Association, Ontario Medical Association, Canadian Red Cross Society, Registered Nurses Association of Ontario and the ministry.

THANK YOU

I would like to thank my family, relatives and friends, for making my retirement such a memorable occasion. Special thanks to Myra, Shirley and Lorraine, to Sylvia for her impromptu party and to all who contributed in so many ways. Thanks again.

Borden Ross
