PISCES Feb. 19-Mar. 20

Increasing responsibility in personal relationships turns your thoughts to the needs of a partner. Something new comes into the life.

Health matters could be bothersome. Practice safe and sanitary methods when out picnicking with the family.

A loved one may seem to be cold and distant, but it's likely your thoughts are a bit deceptive.

Your load is lightened when an obligation of long standing duration is unexpectedly lifted. Aspects are favorable for undertaking educational or scientific studies to enhance career

potential. You should have good concentrative powers now.

Economic and efficient use of the resources at your command, and a lot of hard work, brings independence.

A lack of cooperation from others can be frustrating. They want to know "what's in it for

Contact with one in an institution may be in the form of discreet inquiries as to secret activities taking place.

Friendships and group associations generate a great deal of responsibility. You derive satisfaction in your leadership capacity.

Hopes and wishes may be realized these coming weeks. Your name will come before the public for past and present accomplishments.

Your attention is apt to be drawn to philosophical matters, perhaps a study of foreign cultures, in preparation for a trip.

Responsibility for joint finances brings involvement in insurances, taxes, inheritance, and corporate affairs. Update your will.
