

Schreiber Recreation News

Good news! The Fall Program Brochure is now available. Copies have been distributed to all local students. Should you be requiring your own copy, then drop in at either the Recreation Office or Town Office today. The brochure contains the following: arena schedule, public skate coupon, program information, community contact list and much more. Program Registration

All local residents are reminded that you must register for programs prior to beginning of course. That means you will not be permitted to participate if you fail to register by deadline. No pay no play! The recreation office is open Monday to Friday, 9:00 a.m. to 5:00 p.m. We will be happy to register for your courses during these office hours. Also note that you will have the opportunity of registering for recreation programs at the Community Spaghetti Supper. A program table will be set up with information, brochures and for registration.
