Hilda's Fixins

dutch hustle cake

1 tbsp. dry yeast
¾ cup warm water (105-115 deg.)
1 tsp. sugar
2 tbsp. margarine
¼ cup white sugar
½ tsp. salt
1 ½ - 2 cups flour
1 ½ cups canned, drained apple slices
1 egg beaten
2 tbsp. brown sugar
¼ tsp. cinnamon
¼ tsp. nutmeg
2 tbsp. margarine
icing sugar frosting

Measure ¾ cup warm water in large bowl, stir in 1 teaspoon sugar and dry yeast, let stand 10 minutes, then stir well, meanwhile melt margarine in sauce pan. Stir in sugar and salt, add margarine mixture to dissolved yeast, add egg and ¾ cup flour to make a stiff batter. Spread batter evenly in greased 9" square pan. Arrange apple slices on top, sprinkle with mixture of brown sugar, cinnamon and nutmeg. Dot remaining 2 tbsp. margarine over. Cover, let rise in warm place free from drafts, til doubled in bulk, about 1 hour. Bake at 400 deg. F. for 25 minutes or til done. Remove from oven, let stand 10 minutes before removing from pan. Cook on wire rack, drizzle with icing sugar frosting.

Handy Tips
What to do with your children's artwork? It certainly builds up. Drawings and paintings can be protected with a good coating of hair spray. This will keep them from fading and the colours will not wear off. For easier display, hang a fishnet on one wall. Any drawings and paintings can then be suspended from the net by clothespins or hooks and your walls will not be damaged with nails or pieces of tape.

Knitting Notions
Balling your own yarn, drop the skein over a revolving lampshade and roll into a ball. When you are finished with your day's knitting, put a small cork on each needle, stitches then stay put. The best way to store knitting needles? Line a box with corrugated paper and slip the needles into the grooves.
