Legion dart league

The time is here again to start into Fall and Winter activities. For those of you who play darts or would like to learn to play darts, the **Legion Darts** will start Friday, Sept. 23, 1983 at 8:00 p.m. for the Mixed League.

The Mens Darts will start this year on Thursday, Sept. 22 and something new this year, **Ladies Darts** will begin on Tuesday, Sept. 27.

We hope to encourage beginners to come out and try it this year. No experience is necessary.

Christmas Parade planned

The Terrace Bay Volunteer Fire Department are attempting to organize a Christmas parade for the town and is intended to take place on Saturday, December 17, 1983.

The Fire Department will be entering a fire truck and also arranging for Santa Claus to be in attendance.

They are however, in need of **participation** from other clubs, organizations and businesses through either entering a float in the parade or by assisting in some other manner.

Anyone expressing an interest in this venture is asked to contact Maurice Stark who is the Chairman of the Public Relations Committee for the Terrace Bay Volunteer Fire Department.

Christmas isn't that far away and preparations for such an event should be made now.

A Santa Claus Parade would certainly bring the spirit of Christmas to Terrace Bay.

Terrace Bay Fire Report - for August

by **ROLLY MOQUIN**
Deputy Fire Chief

During the month of August, the Terrace Bay Fire Dept. responded to eight (8) alarms. They are as follows:

August 1st: Vehicle fire at Terrace Beach.

3rd: vehicle fire on Hwy. 17, in front of M.N.R.

10th: Over heated pot at Birchwood Terrace.

11th: False alarm at Birchwood Terrace.

19th: Over heated pot at Birchwood Terrace.

28th: Over Heated lunch at Birchwood Terrace.

28th: 9 80 Trax-cavator at the mill Jacklader.

28th: False alarm at Birchwood Terrace.

Do you live in an apartment building? What would you do if it caught fire? Remember these tips.

(1) Get everyone together. Use stairways

only. **DO NOT** use elevators, you may get trapped.

(2) If fire or smoke prevents you from escaping, keep doors closed; if necessary, place wet towels or blankets under or around door openings.

(3) Get out on a balcony or beside an open window.

(4) Signal for help. Call the Fire Department if you can. Give full address, your floor number and your apartment number.

REMEMBER: FIRE - All it takes is your life!

Fall Fair '83

If you didn't attend the Fall Fair on Sunday, September 11th at the Terrace Bay Arena, you were one of the few who missed out on a special occasion. The doors opened to the public at 12:00 noon and the traffic continued for most of the afternoon. The arena floor surface was a beehive of activity with people buying crafts, receiving information on community programs or just browsing. This year the fair attracted 51 tables from the community as well as others from Wawa, Manitowadge, Rossport and Thunder Bay. Participation from the public was excellent, which made the one day fair a success.

The Recreation Department would like to send a special thank you to the Cubs & Scouts Association, the Kinsmen Club and the Legion for lending us tables for the event. We would also like to say thank you to Gail Kirkpatrick for once again lending her artistic talents by preparing the floor plan poster for the arena.

The Best Decorated Booth Contest was won by Minor Hockey, with second place going to Joan Clark and third place to Sylvia Broughton's Ceramics table. Congratulations to the winners. The participants of the fair selected the winners by voting at the recreation booth.

The fair wouldn't be possible if it was not for

the exhibitors and each and every one who worked hard on the tables for the event. Thank you for your efforts and making the fair a reality. Let us know your feelings on this year's fair to keep us on the right track. **LET'S HEAR FROM YOU.**

More World's Fairs On The Way

New Orleans is arranging a 1984 world's fair, and other fairs are scheduled for Vancouver in British Columbia and for a Tokyo suburb later in the decade.

RosSPORT Youth Saves Drowning Victim!

Thanks to the concern and quick thinking on the part of Andy Joiner, aged 14 of Rossport, Marie Geczy of Riverdale, New York will live for many more years.

Andy Joiner was employed by Maria for the summer, to do odd chores around her Selim cottage. On August 26, 1983, Maria decided to take a stroll in the water in front of her lakeshore home. Maria had previously experienced problems with her knee, the result of a traffic accident from two years ago. While she was standing in waist-high water, her knee collapsed on her, causing her to go down. Three times she attempted to regain her standing position, without success.

"I would have drowned unless someone was there to assist me," stated Maria. "Thank God, Andy wasn't far away, and that he heard my feeble shouts for help."

Acting quickly and responsibly, Andy ran to the scene and lifted Ms. Geczy from the water and on to shore.

Upon discovering that much damage was done to her knee, the ambulance was summoned and Maria was then transported to the McCausland Hospital. Two days later, she was then flown to Port Arthur General Hospital, as the damage was too extensive for the area hospital to deal with. Maria remained in Thunder Bay hospital for about one week and was then transferred back to McCausland Hospital for two or three more days of recuperation. The surgery which was performed in Thunder Bay was only temporary. More extensive surgery must be done in the very near future.

With all the talk and accusations made about the typical teenagers of today, Ms. Geczy felt that Andy deserved recognition for his good deed.

Andy lives in Rossport with his family; his father employed as the lighthouse keeper of Battle Island for the past 13 years.

When asked how he felt about the whole episode, Andy replied that he felt good about himself.

"Everyone is talking about me and about what I did. I don't think it was that special but

I'm glad that Mrs. Geczy is all right and that I played an important part in saving her life."

Congratulations Andy! It's nice to hear good things about our local youth.

On October 10th, Andy will be celebrating his 15th birthday. May we at the "News" wish you a very *Happy Birthday* and many, many more.
