

Area Artisan displays talents!

"It takes a certain type of person to enjoy the beauty and the serenity of the North Shore,

and these are the types of people who approach me about purchasing my paintings," said Linda

Rousek, an area artisan from Manitowadge.

Linda hosted her third showing of her work,

here in Terrace Bay for three days last week. She paints in four different mediums; those

being: oil, acrylics, india ink and watercolours.

She has been painting since the age of 14

and enjoys the challenge of capturing the beauty of areas along the North Shore.

to as far away Kitchen-er and Timmins.

If you missed her this time, don't let the chance slip away again.

Her paintings are well worth a viewing.
