

# SCHOOL NEWS "Focus on Faith Days"

The North of Superior District Roman Catholic Separate School Board is organizing an important workshop for September, 1983. Under the sponsorship of the Ontario Separate School Trustees' Association, the Ontario English Catholic Teachers Association, l'Association des Enseignants franco-

Ontariens and the local board, parents, teachers, trustees and clergy will join together in discussing their Catholic schools. The theme of the September 23-24, 1983, programme will be 'Keeping our Schools Catholic'.

Teachers and trustees will meet on Friday, September 23rd to dis-

cuss the philosophy of the Catholic school system and the role of teachers in this Catholic tradition. Sister Elaine Dunn, C.S.J., Resource Coordinator of the Trustees' Association, will be directing the activity of the day. Sister Elaine has worked as a religion consultant for the London R.C.S.S. Board,

taught at the London Teachers' College and at the Divine Word Institute for Religious Education. She has been with the Trustees' Association for the past ten years.

The session on Saturday, September 24th will be open to all people interested in fostering the growth of the

separate school system. Parents, educators, trustees, clergy, students and rate-payers will be invited to hear Reverend Michael Prieur, Ph.D., share his vision of Catholic education. Father Prieur will be coming from London, Ontario, where he is a professor of moral and sacramental theology.

These days have been organized in the hope that everyone involved will renew their commitment as a faith witness within the Catholic education system.

These days will also foster further co-operation and understanding between the various groups of people involved in the Catholic education system.
