LETTERS:

Thanks for info

on Schreiber Origin

Dear Ms. Park:

Thank you very much for prompt and thorough reply to my letter regarding my great Uncle. We are in the process of putting together a family history for our grandchildren and this was a real help.

We understand that Sir Collingwood also played a part in the building of the Lift Locks on the Trent Valley Canal. By the way, when I was young, in the early 1920's, as a cub reporter on Lansing, Michigan State Journal, Ken Park was my boss and City Editor. He taught me more than anyone in my life time.

Thanks again and best regards.
